GAME RECAP (GREEN BAY PRESS-GAZETTE)

(GREEN BAY) - Battering their way through Stambaugh's stubborn defense for two touchdowns, the Green Bay Packers routed the Upper Michigan Miners by the score of 14 to 0 in a hard fought Thanksgiving Day

football game at Hagemester park before a large sized crowd. The visitors came here with a "made-over" gridiron machine in hopes of walloping the Packers but they didn't stand a chance. Captain Vanzo's team showed but little on the offensive. They had one or two line plunging plays which split Green Bay's line for some first downs but their forward passes fell flat with but two exceptions. It was on the defense that Stambaugh showed strength. Once in the shadow of their goal posts, the Miners would stiffen and fight like a bunch of wild cats. Seven different times during the argument did they hold for downs inside off their 5 yard line. The invaders built up a fairly good protection against the Packer forward but towards the close of the game, the locals opened up and made good on a number of long throws.

INDIVIDUAL WORK

The Packers did not look as well as in the Menominee game last Sunday. It was individual work and not team play that sent the invaders home on the short end of the score. Buff Wagner kept his brilliant work. He broke away for many short snappy runs which were indirectly responsible for both touchdowns. Guy Leaper and Sammy Powers were the bright spots in the Packers line. This pair of tackles showed all sorts of class on the defense. For Stambaugh, the Olson twins at guards and Vanzo and Chors in the backfield were the luminaries. Manning, who started out like a house on fire in the first four plays, broke his collar bone and was shunted to the sidelines. Inferior kicking paved the way to Stambaugh's defeat. Lambeau outbooted Youngren 20 yards on an exchange. The Miners punter was not going any too good and twice when standing behind his own goal line he booted out of bounds at the 15-yard mark. touchdowns followed close after these kicks. The game was a bit late in starting and it was finished up in semi-darkness. The Packers were first on the gridiron but it was nearly 2:20 when Stambaugh hove into sight. The Packers won the toss and chose to receive at the west end of the field.

There was a dispute over the catch but the officials ruled in favor of the visitors. The Packers broke up three forwards in succession and Stambaugh kicked. The punt fizzled out and it was the Packers' ball on their own 35 yard line. There was a rumpus over a penalty, but it resulted in neither team getting a yard. Time for the half was called with the ball in Stambaugh's possession in midfield.

THIRD QUARTER

Stambaugh opened the second half by kicking to the Packers. A series of first downs carried the oval to the visitor's 40 yard line where they held for downs. Stambaugh punted to the Packers' 35 yard mark. After two plays the Packers punted again and Stambaugh immediately returned the oval by the kick route. After this exchange of kicks, the Packers started an offensive from midfield. A forward pass with Wheeler on the receiving end carried the oval to Stambaugh's 25 yard line. Ladrow replaced McLean for the Packers. Line plunges carried the ball to Stambaugh's 2 yard mark. Here the visitors held for downs. Youngren's punt out of danger only traveled 20 yards. Three plays carried the ball to the visitors 10 yard line and once more the visitors braced and held for downs. Stambaugh got away for three first downs and a short forward added another 10 yards. NEWS AND NOTES

REG DWYER MUCH IMPROVED TODAY

NOV 26 (Green Bay Press-Gazette) - "Reg" Dwyer has better than an even chance for recovery. That is the opinion of the physicians who are taking care of the Packer football star who had his left arm and leg mangled while working in the railroad yards here Friday night. The injured members were amputated Saturday, and it is said that Dwyer rallied from the shock as well if not better than could be expected. Unless complications set in, it is expected that he will pull through. According to the doctors, it was only Dwyer's superb physical condition that enabled him to survive injuries that would have quickly killed the average man. "Remember Dwyer". That was the Packers' slogan in the Stambaugh game here yesterday. And well they did. Besides playing their hardest, scores of the contest were flashed to the hospital every quarter. Despite his condition, Dwyer showed a keen interest in the game and wanted to know how it was coming out. Probably there has been no accident in a long while that has stirred Green Bay to greater extent. Expressions of sorrows over Dwyer's untimely injuries could be heard on all sides. There was one continual stream of telephone calls at the hospital inquiring about his condition and his friends swamped the hospital wardens with packages of flowers...**PLAN BENEFIT GAME:** A benefit game is being planned for Dwyer. It will be staged a week from Sunday at Hagemeister park. According to the present plans, the best football

talent in the city from the East and West side will clash in a gridiron argument. Old timers who haven't been in action for a long time will don the togs again for this contest. Every man on the Packer squad will be playing as well as the cream of the high school stars.

LAPHAM SQUAD OF MILWAUKEE FACES PACKERS SUNDAY

NOV 27 (Green Bay Press-Gazette) - The Lapham A.C. of Milwaukee will be the football opponents of the Green Bay Packers Sunday afternoon at Hagemeister park. The game will start at 2 o'clock. Periods of 15 minute duration will be played. Joe Hoeffel referees, Kahle of Milwaukee is to umpire while Jimmy Coffeen will do the headlinesman work. The visitors are coming here with a strong organization. Every man on the squad is a former high school player. This team won the city championship of Milwaukee and, Thanksgiving Day, defeated the Milwaukee Normal eleven. The invaders average 170 pounds. The Lapham squad will reach here tonight and will be quartered at the Beaumont hotel. A carload of rooters will arrive here tomorrow on the noon train. The Packers are in fairly good condition. The men came out of the grueling Stambaugh argument without any serious injuries and it is expected that Manager Murphy will be able to place his strongest lineup on the gridiron.

LAPHAMS WILL PLAY PACKERS ON SUNDAY

NOV 27 (Racine Journal News) - The Lapham A. C. football eleven will board the rattlers for Green Bay Saturday night and will meet the strong Green Bay Packers for the state football championship on Sunday. The north siders came out of the Normal game in good condition, and with a light signal drill Saturday morning will be fit to give the Packers a battle for the state honors. The Packers, are favorites due to their victories over strong Wisconsin and upper Michigan teams, but the Laphams staged a comeback Thanksgiving and seem to have recovered from their recent dump and should give the Green Bay eleven strong opposition. The Laphams will be outweighed when they stack up against the northerners. but will more than make up for this handicap in their speed. Both teams are expected to make good use of the forward pass as the Laphams have McNutt and Jordan and the Packers have Dalton and Lambeau who are adapt receivers.
