PADDY DRISCOLL'S FIELD GOAL BEATS PACKERS, 3-0

***Big Bay Blues Lose Tough
Game In Chicago to Cards;
Windy City Crew Outplayed***

GAME RECAP (GREEN BAY PRESS-GAZETTE)

(CHICAGO) - A field goal by Paddy Driscoll from the 40 yard line during the first quarter greased the skids for the Chicago Cardinals to defeat the Green Bay Packers Sunday afternoon in the Windy City by the score of 3 to 0. If ever a club deserved to win a pigskin encounter, the Packers did. The Bay piled up twice the yardage of their opponents but, when within scoring distance, the Packers failed to grasp the opportunities for a tie game or a possible victory.

MISS FIVE FIELD GOALS

Four times did Cub Buck fizzle out in tries for field goals while late in the final period, Lambeau missed a drop kick from the 40 yard mark by less than a foot. In the third quarter, one of Buck's attempts hit the upright and then bounced. Another inch inside would have done the trick. During the third inning, it looked as if the Packers sure would score. The aerial attack was working superbly and the Cards were running around in circles trying to check the air drives. Lambeau heaved a long pass to Tillie Voss who lit out for a score but he was dumped on the 8 yard line. Here the Cards presented a stone wall. Lambeau got a yard off left tackle. Basing got about the same distance. Then Lambeau ran around left end and was downed with little gain, but the pigskin was resting before the uprights. On the next play, Buck made his kick that hit the uprights and bounded back.

KEPT ON FIGHTING

But the Packers kept on fighting right up until the final minute of play. Pass after pass was thrown with telling effort. Several times it looked as if Mathys would get away. Once Hendrian made a splendid gain after grabbing the pigskin and Basing was also much in the limelight. This method of attack had the Cards beating a hasty retreat. The Packers were making first down with due regularity and it wasn't long before they were within scoring distance again. With the ball on the 25 yard line Buck stepped back for another try and the crowd held its breath. The ball went wide of the goal posts and the Cardinal rooters breathed easier. The Cards scrimmaged on their 20 yard line. They made two first downs and then Driscoll kicked to Hendrian, who made a pretty return to the Packers' 36 yard line. Once more the Blue avalanche began functioning superbly. With the time slipping by, the Packers were more desperate than ever and they battled as no Packer team ever battled before.

RESORT TO FORWARDS

The Packers were passing on every play and try as they might the Cards couldn't stop the advance. Twice, tosses that meant scores were missed by bare finger tips. The Cards were baffled and Manager O'Brien made several shifts in his machine in an attempt to check the advance. The Bays worked the ball within the Cards' 30 yard mark. Here the Chicagoans stood fast on three downs. Then Captain Lambeau in a dying attempt stepped back to the 40 yard marker for a drop kick. The ball seemed headed for the goal posts, it had plenty of distance and height, but a wisp of the wind blew up and carried outside the upright by about a foot. The groan of the Green Bay rooters must have been heard in Evanston. For the remainder of the game the play was in Packer territory.

OPENING QUARTER FAST

There was plenty of action in the first quarter. A penalty for offside cost the Cards 5 yards on the first kickoff. On the second boot, Driscoll kicked to Lewellen. Three plays netted little yardage and Buck punted 60 yards down the field. The Cards got a first down but then hit a stonewall. Driscoll kicked to Mathys who was bumped on the Packers' 30. On a fake kick, Buck tossed a pass to Lambeau for a ten yard gain (This was one of the bag of tricks). Lewellen fumbled and it was Chicago's ball on the Packers' 40 yard line. A first down put the Cards in scoring distance but Driscoll failed on a field goal, and it was the Bays' ball on their own 8 yard line.

DRISCOLL KICKS GOAL

Buck kicked from his own goal line to Driscoll who was downed about 35 yards from the Packers' goal. Three rushes netted but a few yards and Driscoll stepped back to the forty chalker from where he sent the oval skimming through the goal posts for the only score of the game. For the remainder of the quarter, the Packers held the edge and when time was called the Packers had the ball on the Cards' 35 yard mark. After two plays in the second quarter, Buck missed a field goal from 35 yards. The Cards scrimmaged on their 20 yard line. Several first downs grouped around a 30 yard dash by Driscoll carried the ball well within Packer territory. The Packers blocked a drop kick by Driscoll and recovered the ball on the 20 yard line.

HOLD UPPER HAND

From this stage of the game, the Packers held the upper hand. Lambeau's team cut loose with a sweeping attack and down the field marched the Big Bay Blues. Mathys mixed up his attack nicely and the yard sticks were pegged up rapidly. The offensive took the ball down to the Cards' 20 yard line, where after a trio of line smashes, Buck tried another placekick and failed. Driscoll soon punted out of danger and once more the Packer offense swung into action. When the half ended the ball was in the Cardinals' possession on their own 40 yard line.

PLAYED GREAT FOOTBALL

Every man on the Packer team played great football. Mathys was catching forward passes from every possible angle. Captain Lambeau was a demon on the defense. Dutch Hendrian put up a wonderful exhibition while Basing and Lewellen frequently bobbed into the limelight. O'Donnell and Voss never looked better on the wings while Buck and Rosatti at tackles often dumped the Card backs for losses. The Packer center trio, Woodin, Earps and Gardner, can rightfully be likened to a stonewall. As for the Cardinals, it was all Driscoll. The brilliant Paddy was never better. He was in the center of every play. Driscoll carried the ball over half the time. He called signals, did all the forward passing, punted well and lest we forget kicked one field goal that robbed the Packers of a well deserved victory.

CAL'S COMMENTS

OCT 6 (Green Bay Press-Gazette) - To the victor belongs the spoils but in Sunday's game at Chicago against the Cardinals the Packers carried off all the glory except the percentage table count. And that's what hurts. The Bays gained over twice as much yardage as Chris O'Brien's hirelings but that one boot by Paddy Driscoll kept the Chicagoans' record clean...So far as attendance figures go, the turnout was disappointing. Chicago boasts of huge football crowds but the Packers have yet to see it in dollars and cents. At Sunday' game, there was only about 2,800 paid admissions and at least 300 of them were from the Bay. The Packer management has to be satisfied with their guarantee as the percentage of the gate was considerably lower...The Packer rooters nearly went wild with joy when Tillie Voss pulled down the forward pass and stepped out for a touchdown. It seemed as if he would clear all right but Eddie Anderson, one of the

greatest ends ever turned out at Notre Dame, bore down from nowhere and dumped Tillie on the six yard line. The Packers made but scant yardage in three downs and then Buck blew a field goal...Despite the fact that the breaks of the game were going against 'em, the Packers never gave up the ghost. Right up until the last minute of play they were battling all the way and it is a certainty that no team ever played in Chicago that looked better in defeat. It was a fighting, rarin' to go gang, wearing the blue and gold out there yesterday and, if ever a club deserved to win, the Packers did. "Whew, I'm glad that's over," remarked Paddy Driscoll as he headed into the Cardinals' dressing room after the game. "I never saw such forward passing in my life and you can take it from me those Packers have the best aerial attack of any team in the pro league. We can thank out lucky stars that Buck's educated toe wasn't going right."...There was quite a gathering of football celebrities near the Packer bench. Jimmy Crowley came in from Notre Dame for the game. Doc Young dropped in from Hammond to look 'em over while Emmet Clair, Art Schmael and George Carey, who were connected with the Packers in 1921, came around to say hello...Next Sunday the Packers open a five week sojourn at home by playing the Kansas City Blues at Bellevue park. Tickets for this game will be placed on sale at the usual places about town Wednesday evening.

KANSAS CITY ARRIVES HERE FOR SUNDAY'S GAME

OCT 7 (Green Bay Press-Gazette) - The Kansas City Blues, sixteen strong, arrived here on Monday and they will spend the week practicing for the pro league encounter with the Green Bay Packers at Bellevue park on Sunday afternoon. The Packer management announced a change in starting times for all the remaining games at home. The opening whistle will blow at 2 p.m. instead of 2:30. Manager Doc Andrews of the Kansas City club claims that his aggregation will make things interesting for the Packers on Sunday. "We played good football against Milwaukee," said Andrews. "But we were unable to pile up any yardage on the offense due to the fact that the umpire and head linesman had a peculiar way of inflicting penalties on our team whenever we came through with a substantial advance."...HAS GOOD CLUB: This is the first year that Kansas City has had a club in the league and Manager Andrews has spared no expense in rounding up an aggregation that will hold its own with the best clubs on the postgraduate gridiron. The team is composed mostly of former Missouri conference players as Andrews tried to pick his men from as close to home as possible. Webber of the Kansas Aggies and Corgan of Arkansas are playing the ends; Krueger of Drake and Bassett of Nebraska hold down the tackle posts while the center trio is composed of Berquist, Nebraska, and Owens of Phillips, guards, and Petersen, Nebraska, center...INDIAN PLAYS QUARTER: Maclemore of the Haskell Indians is the quarterback. Jack Hill of Oklahoma is playing one of the halves while Herb Dewitz of Nebraska at the other. Strauss, who was a teammate of Tillie Voss at Toledo last year, is the fullback. Jack Hill of Baker U; Choape of Haskell, Morrison of Oklahoma and Rehnquist of Bethany are reserve linemen and backfielders. Petersen, Bassett and Dewitz were teammates of Lewellen, the Packers back, for several years at Nebraska.

Kansas City-Packer Clash Will Attract Huge Crowd; Invaders Are Looking Good

TICKETS FOR SUNDAY'S GAME ON SALE THIS EVENING

OCT 8 (Green Bay Press-Gazette) - Tickets for the pro league football game between the Green Bay Packers and Kansas City Blues, which will be staged at Bellevue park on Sunday afternoon, are to be placed on sale at the usual places about town this evening. Early indications point to another big crowd as the management has already received requests for a flock of reservations from out of town football followers. The Kansas City club practiced Tuesday afternoon and those who saw the visitors go through their paces claim the Blues have a snappy aggregation, light but fast. The invaders' backfield is shifty and they have a pair of fast traveling ends. Aside from three of the players, all of the Kansas City gridders are just out of college..."FRIENDS DO PART": "When Friends Do Part". That might be the topic for Sunday's game as Lefty Lewellen, Packer halfback and former captain of Nebraska, will be in there milling against three of his former teammates, Dewitz, Peterson and Bassett, who are now sporting the colors of the Kansas City squad. MacLemore and Choate, two graduates of Haskell Indian School, took a jaunt to Oneida on Tuesday and resumed acquaintances with some of their former schoolmates. It is expected that there will be a big representation from the reservation at Sunday's game...MURRAY REJOINS CLUB: Another old Packer has returned to the fold as Richard "Jab" Murray will be in the Blues' lineup on Sunday when they have it out with Kansas City. The Marinette lawyer is a pretty handy man to have around as he can fit in at center, guard, tackle or end very nicely. Captain Lambeau's squad came out of the grueling Cardinal game in first class condition and the players will be right on edge when the whistle blows on Sunday afternoon. The players as well as the fans are hungry for a Packer victory and, maybe, the appetites will be satisfied this weekend. Sunday's game is scheduled to start at 2 o'clock. The playing time has been advanced a half hour. The contest is to be staged rain or shine.

KANSAS CITY-PACKER BATTLE HERE SUNDAY TO DRAW BIG CROWD

OCT 9 (Green Bay Press-Gazette) - Tickets for the Kansas City-Packer game at Bellevue park on Sunday afternoon were placed on sale at the usual places about town Wednesday evening, and according to reports, the advance sale more than exceeded expectations. The management has also filled a raft of orders from out of town football fans. The Packers are going to have a battle on their hands. That is the prevailing opinion of the gridiron dopesters who have got a peep at the Kansas City eleven during their practice workouts. The Blues appear to have a firm forward wall and the backfielders loom as fast as lightning. Manager Andrews' club got pretty well banged up in the Milwaukee game but the hospital list is clearing away fast and the Blues will have all their regulars in the game when the whistle blows on Sunday...STAGE HARD PRACTICE: Captain Lambeau's team put in a hard practice drill this morning. Two workouts are scheduled for Friday with a blackboard talk in the evening and there will be another drill as usual Saturday morning. The Bays are fit as a fiddle and every man on the squad predicts that the sting of victories will start on October 12. The Packers will probably meet an old friend in the Kansas City machine as Jack Milton, who was recently released, has been taken on by the Kaws. Walter Buland, veteran tackle, has been released by the Bays. He injured his shoulder early in the season and found it difficult to get the injured wing in shape. Buland will return to Hibbing and it is likely that he will play with Bessemer. This is the club that Emil Beasey is now performing with.

PRO FOOTBALL NOTES

OCT 10 (Green Bay Press-Gazette) - Little Joe Sternaman was nearly a whole team in himself when the Bears bit the dust at the hands of Cleveland. Twice the former Illinois gridder reeled off long distance dashes of the touchdown variety...The Chicago Bears pry off the lid at home in Cubs park by taking on the Racine eleven. Halas is not satisfied with the way his club is going and it is rumored that a shakeup looms if the team does not start winning...Over at the White Sox park in Chicago, the Cardinals will have it out with the Minneapolis Marines. The Gophers took a licking in their opening game and it is probable that Driscoll and Co. will hand them another upset...The first game of the Badger pro championship series is billed at Milwaukee on Sunday with the Badgers meeting Kenosha. The Cream City crew is traveling nicely these days and they should turn back the Maroons...Akron has visions of a win over Cleveland. Guy Chamberlain's team plays in Philly Saturday, and then hops back home for Sunday's tilt. JOHN GETCHELL WILL REFEREE PRO LEAGUE GRID BATTLE SUNDAY

OCT 10 (Green Bay Press-Gazette) - John Getchell of Minneapolis has been named by President Joe F. Carr of the NFL to officiate in the game here Sunday afternoon at Bellevue park between the Kansas City Blues and Green Bay Packers. Jimmy Coffeen will serve as head linesman. The umpire will be selected today. This decision hangs upon Manager Doc Andrews of the visiting club. Sunday's game will start at 2 o'clock instead of 2:30. The time has been set forward half an hour so as to get in the full fifteen minute quarters before semidarkness sets in. The gate at the park will be opened at 12:45. All ushers and ticket men must be on hand at 12:30 without fail...DRILLED WITH COLLEGIANS: Thursday afternoon the Kansas City squad scrimmaged with St. Norberts college at De Pere. According to Manager Andrews, Coach Carey's youngsters gave his squad just the kind of workout needed to put them right on edge for Sunday's game. Early this afternoon, the Blues drilled at Bellevue park to get the "lay of the land". The Packers went through another strenuous drill this morning and a blackboard talk is scheduled tonight at the Continuation school. Captain Lambeau is making even more possible to get his squad back on Victory Row...TICKETS MOVING WELL: Tickets for Sunday's game are moving well. There is a healthy demand for reservations and all signs point to a banner crowd. There are still many choice reservations available. The additional seats set up for the Bear game are still standing and they provide a greatly increased reserved space. The management intends to pick up all unsold reservations Saturday night and it is suggested that those having tickets set away claim these pasteboards before 9 p.m. tomorrow evening.

KANSAS CITY BLUES AND PACKERS CLASH HERE SUNDAY

OCT 11 (Green Bay Press-Gazette) - There will be a homecoming at Bellevue park Sunday afternoon and, if fair weather prevails, quite a gathering of fans will be present to give the Packers a rousing sendoff in their NFL game against the Kansas City Blues. The kickoff is scheduled for 2 o'clock. Sunday's game is the first of a series of five encounters which the Packers will play at home and Captain Lambeau's team is determined while they are in their own backyard. If the schedule is followed, Kansas City will be victim No. 1 tomorrow...BLUES IN GOOD SHAPE: But the Blues have a different version of the affair. Manager Andrews has had his club here all week getting tuned up for the engagement, and, according to the Blues' helmsman, his squad is right on edge for the fray. The Kansas City eleven ranks with the best in the pro league. Last week against Milwaukee, they held the famous Badgers to a 3-0 score. A field goal by Red Dunn was the only marker during the fray. Milwaukee papers in commenting on the game gave the Kansans credit for having a husky forward wall and a shifty set of backs...FOUR NEBRASKA STARS: Four members of the Blues, Bassett, tackle; Peterson, center; Berquist, guard, and Dewitz, halfback, earned their gridiron spurs at Nebraska. Choate and McLemore are products of the Haskill Indian school. Webber was a star end for the Kansas Aggies while Strauss, the big fullback, was a teammate of Tillie Voss at Toledo last year. The Packers will present practically the same lineup as at the start of the season. Beasey, Buland and Milton are missing but in their places are Eddie Usher and Jab Murray, a pair of Packers from other seasons, who are well known to the Green Bay football fans. The team has been driven at top speed during the latter part of the week and Captain Lambeau is hopeful that his Big Bay Blues will get back on Victory Row in Sunday's game. No matter who wins, it is sure to be a great exhibition of pigskin chasing as both teams are right on edge for the combat.
