# PACKERS DEFEAT BELOIT 7 TO 0; WAGNER COVERS MUFFED PUNT FOR SCORE

### GAME RECAP (GREEN BAY PRESS-GAZETTE)

(Green Bay) - A wet ball sliding out of the arms of Everson, Beloit halfback, in the last minute of play in the third quarter paved the way for a victory by the Green Bay Packers over the Beloit Fairies by a score of 7 to 0 in a bitterly contested argument Sunday afternoon at Hagemeister park. The touchdown came like a shot out of a clear sky and the two thousand spectators went wild with delight when they awoke to the fact that Green Bay had scored. The visitors had held the Packers for three downs on their 40 yard line when Dalton booted a lofty spiral from a short kick formation. Everson, standing on his own 10 yard mark, caught the ball and then Dwyer tackled him. "Reggie" smashed in pretty hard and the pigskin slipped out of the Beloit substitute halfback's grasp. It rolled across the goal line and about a dozen players dove for the oval. When the pack was pulled apart, the ball was in Wagner's possession. It was a touchdown for the Packers and Dalton added another point by kicking the goal.

### **BELOIT LINE STRONG**

It was the biggest thrill of a sensational contest. Up to the time of the touchdown Beloit had gained the most ground and the greater majority of the play was in the Packers' territory. However, after the score, the visitors crumbled and they were kept on the defensive the greater part of the time. Both teams played good football. The absence of Lambeau was felt by the Packers. They failed to display their usual dash on the offense and their forward passing game fell flat. The locals didn't make good on a single long heave during the game. This is something unusual. The visitors had a shifty attack, which varied between smashing line bucks, sweeping end runs and a few forwards. Their interference was exceptionally good, particularly on the circuit swings when Scheibel was carrying the ball. The strain of the game told on Beloit and Manager McCarthy was forced to make use of nearly all his second stringers.

### **VISITORS WIN TOSS**

Beloit won the toss and chose to defend the east goal. The Packers kicked off. The visitors made a couple of first downs right off the bat. An offside penalty set them back 5 yards and the Packers held for downs on the 25 yard line. Starting before the the ball was in motion cost the Packers a chalk mark and a bad toss by Klaus cost them a 15 yard loss and put the home team back near the goal line. Wilson's punt was partly blocked by Van Galder but Rosenow made a nifty catch of the ball. This play netted the home team a gain of almost 30 yards and it took the oval out of the danger zone. Beloit braced in midfield, threw the Packers back in midfield and secured the ball for a first down on a fake kick formation. Brittain and Phillips were thrown for losses and White punted. Medley playing safe let the ball roll across the goal line for a touchback. The pigskin was scrimmaged by the Packers on their 20 yard line. The locals made a couple of first downs and the ball was in their possession in midfield when time was called for the quarter.

Green Bay gave us the best of treatment both on and off field," said Manager Dennis McCarthy of the Beloit football team. "We have no excuses to make nor complaints to offer and Beloit will try and return the favor when the teams meet in our city on Nov. 14."

During the second period, the visitors showed their most class and at times, the play was within the Packers' danger zone. On the first lineup in this quarter, Wilson punted to Witte, who came back 15 yards before he was dropped. Three plays netted the visitors a first down and then Scheibel got away for a 15 yard gain. A penalty for holding set the Fairies back 15 yards and the Packers got the ball on downs. Brittain intercepted a forward pass and the oval changed hands. The visitors made a first down. Two forward passes went bad for Beloit and the Packers secured the ball on their 15 yard line. Wilson punted out of danger but the visitors resumed another march down the field. This time the Packers blocked 'em on the 20 yard mark. Rosenow got away for 10 yards by on the next play, the Packers lost 15 yards for holding. Wilson again booted out of danger. For the remainder of the quarter, the play was in the Packers' territory with Beloit doing most of the gaining. When time was called, the teams were battling on the Packers' 40 yard mark. The Packers opened the third quarter by booting to Beloit. The ball changed hands frequently but Beloit gained ground on the exchanges. Towards the middle of the period, the visitors rushed the oval to the Packers 10 yard mark. An offside put them back 5 yards. Two downs netted no gains and then Witte attempted a field goal. The drop kick failed. The ball was put in scrimmage by the Packers on their 20 yard mark. Wilson immediately kicked out of danger. Beloit made a couple of first downs but lost the oval on three futile forward passes. Ladrow, Rosenow and Wagner made a first down for the Packers. A penalty for holding cost the locals 15 yards. Then Dalton got around left end for a run of 40 yards along the sidelines. Three attacks were checked by Beloit and then came Dalton's boot that was fumbled by Everson and covered by Wagner for a touchdown.

### **PACKERS KICKOFF**

The Packers kicked off at the start of the final period. Beloit could not gain and punted to the Packers. Dalton got away for 35 yards. The visitors braced and Wilson kicked. Beloit attempted a last resort by shooting forward passes but the Packers' secondary defense was smearing them up in good shape. Witte kicked off to the Packers 30 yard mark and after two downs Wilson returned the kick. Phillips fumbled the ball and Sammy Powers covered for the Packers. This was a net gain of about 50 yards. Beloit was pushed back to her 30 yard marker. The Packers were held for three downs and then Lambeau was called from the sidelines to attempt a field goal. The Beloit forwards broke through fast and blocked the kick. Beloit recovered the oval on her 15 yard mark. The invaders punted out of danger and the Packers returned the kick. The ball was in midfield when final time was called.

## **NEWS AND NOTES**

### **LOOKING 'EM OVER**

NOV 1 (Green Bay Press-Gazette) - There was little love lost between the teams but it was a hard, clean game of football. The officials had plenty to do but they handled their job well. The fracas was practically free of arguments...The Green Bay and Western band cut loose with a bit of music before the game started but evidently the rain drowned 'em out and during the closing periods, there wasn't a peep let out by the railroading musicians...The crowd had a great time riding the "Fairies". That's what the Beloit team is called and there were frequent suggestions that they bring out Zabel and let him help them turn defeat into victory...Lambeau was given a great reception when he was thrown into the fray to attempt a field goal in the last quarter. Rather than to take any chances the Packers' star was pulled out again after one lineup...Scheibel played a whale of a game at fullback for Beloit. The big fellow is as nifty a line plunger as has been seen in action here in many a moon. He was the visitor's best bet when it came to rushing the ball...The rain didn't seem to dampen the spirits of the crowd. Both the stands were comfortably filled and the spectators were standing two or three deep around the gridiron. Everybody got wet but who cared?...Beloit's fake kick formation was a hard one to solve and this method of attack gained many a yard for the invaders. It was a direct pass from center play and any of the backfield carried the ball..."Hold 'em Packers." Sounds funny doesn't it? That was heard at Hagemeister park a number of times yesterday afternoon. That gang of invaders had the home team in dangerous holes too often for safety...The Fairies were not without supporters. About fifty followers from the Border City made the trip and their ranks were augmented by a bunch of De Pere fans who were pulling hard for the Packers to get beat...Dalton and Beloit have been ancient enemies for many a year and this was the one game of the season that the Packers coach wanted to win. After the final whistle, he had a smile on his face from ear to ear.
