

# Green Bay Packers (6-1-2) 14, Louisville Colonels (0-4) 0 Sunday November 14th 1926 (at Green Bay)

## *PACKERS STEP OVER LOUISVILLE FOR 14-0 VICTORY*

### GAME RECAP (GREEN BAY PRESS-GAZETTE)

(GREEN BAY) - The Green Bay Packers came across with their fifth straight victory Sunday afternoon at the City stadium when they stepped on the toes of the Louisville Colonels to the tune of 14 to 0. This win was a creditable piece of work when it is taken into consideration that Lidberg, Harris, O'Donnell, Flaherty, Rosatti and Earpe did not feast upon Colonel steak. Instead, they were being held in reserve to gnaw on Bear steak next Sunday.

#### **GAME PLAYED IN RAIN**

The game was played under disagreeable conditions. It rained off and on all during the morning. There was a slight letup shortly after noon but as soon as the teams came on the field, the clouds opened up again with a steady drizzle. But the damp spell didn't wash out the enthusiasm of some 1,300 dyed in the wool fans who paid their money to get another glimpse at the Bays and take a wetting in the bargain. Once again, Green Bay showed itself to be the greatest pro football town of its size in the country. And even Bill Harley, manager of the Louisville club, admitted this, "When I was up here playing ball," Harley said, "I heard a lot about football in Green Bay but I took the most of the talk with a grain of salt."

#### **"HEARD" ABOUT GREEN BAY**

"After I got away from the Bay every now and then somebody would talk about the Packers and the crowd they drew at home. It began to get me thinking and what I saw out there makes me believe everything that I heard. When you can get 1,300 spectators out to a football game on a rainy day, it is going some. I'm sold on the Bay and say what a game that's going to be in Chicago next Sunday. The Packers certainly look pretty good to me and, from what I have been told, I didn't get a chance to see half of 'em." The Colonels turned in a good exhibition and they were battling just as hard at the finish as when the opening whistle blew. The much heralded Pete Stinchomb was among the missing. According to Manager Harley, Stinchomb went to Columbus to see the Ohio State-Michigan game and he flopped out on train connections for the return trip. This handicapped the Southerners as it was necessary to change around the backfield.

#### **ROBINSON PLAYS WELL**

Robinson featured for the invaders. The former Hammond ace was in the midst of the mixup every minute. Glaver, former Rock Islander, and a pair of ex-Cardinals, Sachs and Green, turned in some first class footballing. Chuck Palmer's exhibition at quarterback was all that could be asked. The game started off as if it was going to be a riot as a blocked kick in the early minutes of the first quarter put Louisville in a hole. The Bays had the oval deep in Colonel territory. A pass, Lambeau to MacAuliffe, made it first down, goal to go. But the Southerners held tight and recovered the cowhide on downs, just inches away from the touchdown sector. Glaver kicked out to MacAuliffe, who fumbled and it was Louisville's ball on the their own 30-yard stripe. There was plenty of action during the remainder of the quarter but with little advantage either way. The Colonels uncorked a pair of passes that were good for substantial gains. When quarter time was called, the oval was in Green Bay's possession about midfield.

#### **LOUISVILLE PASSED FREQUENTLY**

Louisville resorted to passing frequently in the second quarter but the visitors failed to show a consistent offensive. They would complete a pass or two and then fizzle out on line plunging. Twice it seemed as if the Packers were headed touchdown-ward but Louisville was slashing hard and the Bay thrusts would be stopped. Late in this period, Louisville tried a placekick from the 50-yard line. The boot was short and Kotal ran it back to the 37 yard marker. The ball changed hands on a series of kicks. Halftime saw the cowhide in the hands of the Packers just inside of Louisville territory. Between halves, the band pepped up things a bit while the crowd busied itself trying to dodge raindrops and trying to figure out why the Bays hadn't broke into the score table. At the start of the third period, the Bays kicked

off to Louisville. The invaders' passes went into the discard and they had to punt. And Green Bay did likewise a few minutes later. Louisville couldn't gain and Giaver's kick was a poor attempt. It went out of bounds at midfield. Here was the "break" that the Bays had been waiting for and they proceeded to make the most of it. Launching a savage line smashing attack, the Big Bay Blues started a march down the field that only ended when Lewellen knifed over for the first score of the game. But it was rough going all the way. Several times, first downs were only made by inches. Lewellen and Rex Enright did most of the carrying. With their backs to the wall, Louisville made a determined stand on its goal line. Three times the Packers crashed for but short gains. However, after a huddle, Lewellen plunged across with but a scant half foot to spare. Purdy added the extra point.

#### **GIAVER "SLICED" KICK**

Louisville chose to kickoff. Purdy brought the ball back to the 36-yard line. Enright and Lambeau made a first down. Shortly after, Lewellen punted to Robinson who was dumped on the third chalk mark. Louisville couldn't gain and Giaver "sliced" his punt. It rolled out of bounds to the 26-yard line. Lewellen lost five on a wide end run as the quarter ended. An intercepted pass on the second play of the final period gave the ball to Louisville but the Colonels soon had to punt. Shortly after, Purdy tried a field goal but it was blocked and Louisville took possession of the oval.

#### **LEWELLEN SCORES AGAIN**

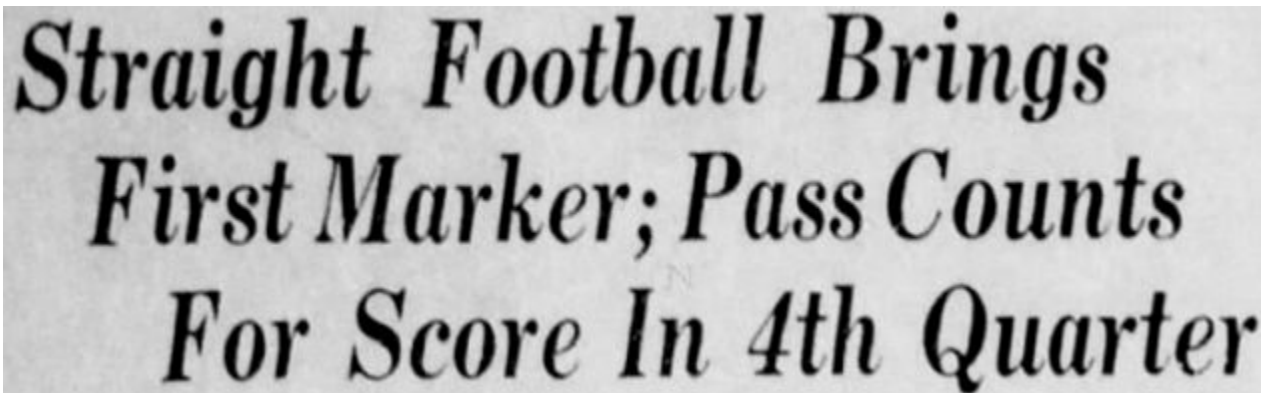

Lewellen grabbed off one of Palmer's passes and dashed to the 12-yard line before he was chased out of bounds. Enright and Lewellen pounded on for 2 yards apiece and then young Mr. Purdy sailed a pass into Lewellen's arms for the second touchdown of the game. And Purdy goaled again. Robinson kicked off and Carlson ran the ball back to the 43-yard stripe. It was getting rather dark and both teams had some difficulty in following the ball. After several attempts at line cracking, Lewellen punted far down the field to Robinson who was dumped hard two chalk marks from the uprights. Metzger slashed through for a first down gain but that was only a flash in the pan. Two other line thrusts were stopped dead and Metzger kicked to Purdy. After one Packer pass had gone into the mud, the final whistle blew ending hostilities and a rain soaked crowd hustled to cover well satisfied with the way the Big Bay Blues had turned back the invading Colonels from Louisville.

#### **PACKERS AT WORK FOR BEAR GAME IN CHICAGO SUNDAY**

NOV 16 (Green Bay Press-Gazette) - The Big Bay Blues are in the midst of a stiff week of training in preparation for the Chicago Bears' game at Cubs park on Sunday. Sitting in fourth place in the National league percentage table, the Packers are very much in the running for stellar gridiron honors and a win over the Halas-Sternaman combination would put Green Bay very much in the gridiron spotlight. The Bears haven't tasted defeat this season and their only tie game was with the Bays here early this season. The Chicagoans have bumped off everything that has come their way and they haven't had a handpicked schedule either...ALL WILL BE FIT: Members of the Green Bay squad realize how important Sunday's game is and every wearer of the blue and gold will be in there battling to the last ditch. What's more there won't be a man on the squad that isn't able to step into action and go the limit. The injury jinx has been camping on the Packers' trail all season. Ever since George Abramson hurt his knee in the opening fracas against Iron Mountain, there has been, at least, one or two gridders on the hospital list. However, there ain't going to be such a thing as a Packer hospital when it comes to face the Bears Sunday. Rosatti's injured ankle has mended nicely and the broken bone in Jack Harris' hand has knitted so well that he will be able to feast on some Bear meat. Jugger Earpe, O'Donnell, Flaherty and Lidberg will all be in there to mix with the Bears. These players were purposely kept out of the Louisville combat and the others that did face the Colonels escaped without a sign of a serious injury...LOTS OF PRACTICE: A lengthy week of practice is ahead of the Big Bay Blues. Aside from the regular morning workouts, there will be a chalk talk at the Continuation school tonight and another skull practice Friday evening. Everything possible will be done this week to have the Packers keyed up to their highest pitch when the whistle blows Sunday afternoon. The team will leave here Saturday morning at 7 a.m. over the C. & N.W. A special parlor car will be attached to this train for the Packers. During their sojourn in Chicago,

the Green Bay footballers will headquarter at the Parkway. This is the same hotel where they have put up for the last two years when in the Windy City for a tilt with the Bears.

**ROCK ISLAND ELEVEN ON FINANCIAL ROCKS; QUILTS PYLE'S WHEEL**

NOV 16 (Chicago) - The Chicago Cardinals, idle Sunday because of rain, will be in better condition for the encounter with the Louisville club, which has failed to win a game to date. In addition O'Brien has signed Duke Slater, Iowa All-American tackle, and Wiederquist to strengthen his line. Both have been members of the American league Rock Island team, which is the latest team to drop out of Pyle's league, leaving only five members, with two of these, the Boston Bulldogs and Wilson's Wildcats, traveling teams.

**PACKERS TO BE GUESTS OF GYROS THIS EVENING**

NOV 16 (Green Bay Press-Gazette) - Members of the Green Bay Packers football team will be the guests of the Gyro club at a banquet at 7 o'clock this evening in the Beaumont Hotel, Attic room. A special program has been arranged for the entertainment of the football players. One of the features will be Tom Griffin, celebrated "yodeling blue" singer, who opens a day's engagement at the Strand theater here this evening. Griffin is coming here direct from the Oriental theater, Chicago, where he scored a big hit with his "Blues" songs. Another feature is the crack Greenwich Gardens' orchestra which will furnish the music. All Gyros are urged to attend.

**BOBBIE CAHN WILL REFEREE PACKER-BEAR ARGUMENT**

NOV 17 (Chicago) - Staid old Chicago accustomed to always seeing the best that is going on in the amusement line doesn't very often get "het" up over a professional football game but just the same there is considerable talk in sport circles about the encounter at Cubs park on Sunday afternoon between the undefeated Bears and the Green Bay Packers. The Badger state champions have a big following in this city. The average football fan likes to see Wisconsin boys perform because they are past masters in the art of forward passing. It is the open game that grandstanders like to see because when the air is full of footballs they know what is going on all the time...BUMPED OFF CARDINALS: Three weeks ago, the Green bay team invaded Chicago and exhibited its football wares on the South side to the extent that the Cardinals took a 3 to 0 lacing. It isn't often that Chris O'Brien's team takes a tumbling from an out of town team but this was one of the times that it happened and Bear scouts, who glimpsed the game hurried back to Halas-Sternaman headquarters with the reports that the Bruins would do well to eye up the Green Bayians for the next several contests. So the Bruin bosses unloosed the strap on their bank roll and assigned one of the scouts to camp on the Packers' trail. This he did. He saw the Bays whip Milwaukee, 21 to 0, in the Badgers' own backyard while the best the Bears could do was a 10 to 7 win...WATCHED LOUISVILLE GAME: Last Sunday, the Bear "glimpse artist" hit the trail for Green Bay to see the Packers mix with the Louisville Colonels. The Bruin bosses figured this would be a dress parade for this Sunday's game and the scout was instructed to wear out several pencils taking down notes. But the Bear plans went astray. Aside from several "made to order" forward passes he didn't sniff a thing. What's more he flashed back the report that the Packers, aside from playing under cover all the way, kept six of the players who have been performing regularly this fall on the sidelines, evidently saving them for the combat on Sunday. The Bears' nest is expecting a battle. The players figure that a win over Green Bay will just about cinch the championship but they aren't counting their chickens before they are hatched. Daily practice is on tap although the drills are shortened up a bit because several of the regulars have shown signs of being a bit stale...BIG CROWD FORECAST: The Bear management is making arrangements to handle on the biggest crowds of the season. The game is being advertised as being between the two best pro grid teams in the middle west and the smart Bruins have plastered the South side with signs bearing the following caption: "Come to Cubs park, Sunday, and see the team that beat the Cardinals." The Cards are playing the Louisville Colonels, a team that both the Bears and Packers have stepped on.

This contest is considered one of the most important of the season. George Lawton of Detroit will umpire and Bill (Horse) Edwards of South Bend is to be the Head Linesman.

away from home and the Gyros wished them success in their three remaining games with the Chicago Bears, Frankford Yellowjackets and Detroit Panthers, respectively. A.B. Turnbull, president of the Football corporation, introduced the players to the service club members, and Dr. W. Webber Kelly, one of the directors of the football club and team physician, gave a short talk. The physician praised the spirit of the team and the cooperation from Green Bay and northeastern Wisconsin fans and said this splendid cooperation had given Green Bay, a small city, a brand of football equaled by few cities of the country...PRAISES CAPTAIN LAMBEAU: "A deal of this credit for putting Green Bay on the football map belongs to Curly Lambeau," declared the director. "Curly had been instrumental in developing our great teams, and it is due to his untiring efforts that we have an eleven that can hold its own with the best clubs in the country. Curly has instilled a fine spirit among the players and everyone of them gives the best in him for Green Bay. A fighting team is seldom beaten - we have a fighting team and when the season ends we will be near the top of the percentage column with the best of them." Dr. Kelly pleaded for a continuance of the fans' cooperation so that Green Bay could have a great football next year and concluded by telling the Gyros a team secret and asked them not to breathe a word of it until next week...PRESENT FOOTBALL TO TEAM: The football won by the Packers' in the Cardinal game at Chicago was presented to Captain Lambeau last evening by the Gyros. The ball disappeared after the Cardinal victory and the Packer leader, who treasured it highly, was aggrieved at the loss. The ball was taken from the captain's room, by whom no one knows, but anyway it was given to the Gyros to return to him last evening. The Greenwich Gardens' 7-piece orchestra furnished music during the banquet and afterward, and "Smitty" delighted with several solos. Their excellent music made a big hit with the players and Gyros. Tom Griffin, the "yodeling blue" singer, now appearing at the Strand theater, sang several "blue" songs and responded to a number of encores. His offerings were heartily applauded and were well chosen for the occasion. He was accompanied by Mrs. Lee R. Smith, pianist at the Stand.

## *Bays Battle Chicago Bears Sunday; Face Yellowjackets Turkey Day; Detroit Nov. 28*

### **PACKERS PLAY LOUISVILLE HERE SUNDAY AFTERNOON**

NOV 11 (Green Bay Press-Gazette) - The Louisville Colonels will face the Packers here Sunday afternoon in a pro league game at the City stadium. As usual, hostilities will start promptly at 2 p.m. This "eleventh hour" shift in scenery was brought about when Gen. Reutz of the Racine gridiron army hoisted the white flag at exactly 11:15 Wednesday morning after his financial reinforcements from Chicago failed to arrive. The football treasury at Racine is bone dry and the Horlickville combination has called quits...DICKERED WITH 3 CLUBS: Upon notification of the blow up at Racine, the Packer management began burning up the long distance wires in effort to land a game which finally terminated satisfactorily when Louisville was booked. Negotiations were also carried on with Hammond and Columbus. The Ohioans didn't want to make the trip as half of their team had ringside seats for the Michigan-Ohio State game in Columbus on Saturday. Doc Young was willing to make the trip here but the Bay management figured that Louisville not having played here before would be the better attraction. Bill Harley, brother of the famous Chick, is manager of the Louisville club. Harley is well known in Green Bay as he played baseball here during the season of 1923. He was a teammate of George Metten, Gene Walsh and Joe Reik. Joe Nagle was managing the club that year...WANTED GREEN BAY GAME: During the pro league meeting in Philadelphia, Harley pulled every string possible to get a game here with the Packers but the hookup with Racine at that time made it necessary to turn down Louisville. Following Sunday's game here with the Packers, the Southerners play the Cardinals in Chicago on November 21 and a week later lock horns with Milwaukee in the Cream City. Although Louisville is an occupant of the second division, this is not a sign that the Colonels won't give the Packers a battle. Last fall Green Bay booked Rochester and Dayton after Racine had "faded out" of the picture. Both of these clubs were in the back ranks of the percentage table yet they each put up an interesting exhibition against the Big Bay Blues and the Packer management is confident that the Southerners will pull the same trick this Sunday. Nothing would please Bill Harley more than to roll Green Bay for a loss...HAVE GOOD MATERIAL: The Colonels have a first class squad of footballers. The outfit is headed by Pete Stinchomb, former Ohio State. A few years back Pete was the Staleys' ace and he had a hand in one decisive trimming that the Packers got in Chicago. Chuck Palmer, one of Northwestern's greatest, is playing quarterback while Robinson, who played two years with Hammond, is playing the opposite half to Stinchomb. Rip Golsen, Georgetown, is the fullback. He came here early this season with the Chicago Bears. Gavier, Georgia Tech, ex-Rock Island ace, and Ed Metzger, of Columbia, are the Colonels' reserve behind the line...SACHS AND BUSH: Len Sachs, former Chicago Cardinal and Milwaukee Badger, is playing one of the ends with Len Bush at the other. Bush is a youngster and this is his first year out of Loyola college. Leaf, a product of Kentucky, and Green of center are playing the tackles. Bernoskie of Purdue and McCaw of Beloit fill the guard positions. McCaw was with the Packers for a while during the early

part of the season. Becwick from Virginia is the snapper-back. Serquist, last year with the Philadelphia Yellowjackets, and Red Jackson of Tulane are the extra linemen. It is likely that Hardy and Hobscheid, two of Racine's forwards, and Mathews, the Tornadoes' end, will accompany Louisville as Weston, Rouch and Moore, three other members of Harley's crew, are on the hospital list.

**PACKERS WILL CLASH WITH THREE TOPNOTCH TEAMS**

NOV 18 (Green Bay Press-Gazette) - These are busy days in the Packer football camp because, aside of extra long practices and blackboard talks at night, the players are getting ready for their football journey which will take them to Chicago, Philadelphia and Detroit. The Bays face three of the toughest clubs in the league in eight days. Sunday sees the Packers in action against the Chicago Bears at Cubs park; Thanksgiving Day, the Bays are doing their stuff in the Frankford stadium in Philadelphia and the following Sunday Green Bay performs in Navin field, Detroit, against Jimmy Conzelman's Panthers. ALL TOPNOTCH TEAMS: The Bears and Yellowjackets are standing one two in the National league percentage table while Detroit is just a few notches below the Packers who are resting in fourth position. This is just as tough an assignment as any spoke in the field has had to face this season. However, the Packers will start their three game travel in the pink of condition as there isn't a man on the squad listed as a hospital patient. In past years, the Bays have generally gone into the Bears game with one or two cripples...MANY ARE GOING: Unless all signs fail, there will be a young "army" of Green Bay Packer fans in Chicago Sunday. Many of the football followers are going down Friday night to take in the Wisconsin-Chicago game on Saturday and then attend the Bear encounter Sunday. Excursion tickets for the round trip costing but the usual price for one (\$7.11) are available on both the Chicago & Northwestern and Chicago, Milwaukee & St. Paul railroads. The complete schedule for the Packers' trip is as follows: Saturday November 20 - Leave for Chicago over C. N. & W. at 7:05 a.m. Arrive Chicago, 1:00 p.m. Team will stay at Parkway hotel. Sunday November 21 - Play Chicago Bears at Cubs park. Monday November 22 - Leave Chicago at 12:05 a.m. for Niagara Falls, N.Y. over Michigan Central. Arrive in Niagara Falls at 1:35 p.m. Leave Niagara Falls for Philadelphia, Pa. at 9:50 p.m. over Lehigh Valley. Tuesday November 23 - Arrive in Philadelphia at 9:25 a.m. Team will stay at Adelphia hotel. Practice at Frankford field in afternoon. Wednesday November 24 - Practice at Frankford field. Thursday November 25 - Play Philadelphia Yellow Jackets at Frankford Field. Friday November 26 - Leave Philadelphia over Lehigh Valley for Detroit, Mich. at 9:20 a.m. Saturday November 27 - Arrive Detroit, Mich. at 2:18 a.m. sleeper will be set out so players can sleep until 8 a.m. Practice at Navin field in the afternoon. Sunday November 28 - Play Detroit at Navin field. Chicago sleeper ready for occupancy at 9 p.m. Monday November 29 - Train leaves for Chicago over the Michigan Central at 2:28 a.m. Arrives in Chicago 8:25 a.m.

**GRIDGRAPH TO FLASH BEAR-PACKER FRACAS AT C.C.C. ON SUNDAY**

NOV 18 (Green Bay Press-Gazette) - The Bear-Packer football game, which will have something of the nature of a National Championship contest, will be reproduced on the gridgraph at the Columbus Club community auditorium Sunday afternoon beginning at 2 o'clock. There will be a direct telegraph wire from the field in Chicago to the Auditorium, and Edward "Longboat" Johnson, a football expert, recognized throughout Brown County, will file the play by play report of the contest at the Chicago end of the wire. There will be a straight charge of 50 cents per person, with no concessions made for youthfulness at the doors. The Packer management is of the opinion that the Columbus club auditorium will be crowded to capacity for the contest. Those who wish to secure good seats, and who at the same time wish to get the low down on the conditions of the grounds, wind and similar important details are advised to come early. "If the Packers win Sunday," this phrase is on every tongue in Green Bay as the opener of a conversation that leads to all manner of speculation. Generally speaking it is believed that the Bear game is the big hurdle in the path of the Packers toward a national championship or a tie for the championship. It is rumored that the Packers will fire both barrels at the kickoff, and will keep pounding until the Chicago Gunman fires the closing shot. Every fan who is not able to go to Chicago, and who is not confined to his bed will want to see the play by play on the gridgraph Sunday afternoon.

**PACKERS ON THEIR WAY SATURDAY MORNING TO CHICAGO**

NOV 19 (Green Bay Press-Gazette) - Saturday morning the Packer squad will board the 7 o'clock train for Chicago. This is the first stop of the trip that will take them to Philadelphia and Detroit after the Bear game. The hospital list of the team is entirely cleared up and the

squad has been taking some good workouts this week. The snow didn't hamper the efforts of the men any and practice went on with a vim and vigor that broods no good for the Bears. A large number of enthusiasts have been watching the team every morning and from their comments, the Bays are due to continue their winning streak at the expense of the Chicago team...**BUILD AIR DEFENSE:** The Bears are sparing neither time nor money in getting in shape for the game Sunday, for this is the turning point of their season. If they come through with a win over the Packers, they will have pretty clear sailing to the national professional title. Their time is being spent mostly in developing an air defense to stop the famous air attack of the Big Bay Blues, which is one of the hardest to contend with in the league. Quite a number of Green Bay fans are planning to make the trip to Chicago to see the game, and most of the team are leaving early so to attend the Wisconsin-Chicago fray on Saturday.

#### **BULLETIN**

**NOVEMBER 19 (Milwaukee)** - With the Milwaukee professional football team disbanded for the season, Johnny Bryan, owner, manager and halfback, and Lavvie Dilweg, captain and end, have signed to finish the season with the Chicago Bears. They will play in Sunday's battle at Chicago with Green Bay.

#### **EXPECT BIG CROWD**

**NOVEMBER 19 (Chicago)** - The game Sunday between the Bears and the Green Bay Packers is kicking up quite a lot of interest in the Windy City. The reputation of the Badger team has been played upon by the press agents of the Chicago club and, as a result of an unusually large number of tickets have been sold. Many of the people who hold tickets for the Wisconsin-Chicago game have applied for seats to Sunday's game. Quite a number of Big Ten fans are interested enough to want to see what a professional game is really like, and consequently will stay over for the game. A block of about a thousand seats has been set aside for the Green Bay followers and it seems that every seat will be filled. The Bay fans follow their team like a college student body and make themselves heard when they do get together on the field. They have a great team and follow it in great style.

#### **PRO FOOTBALL GOSSIP**

The wet spell was a blessing in disguise to the Chicagoans as their battle front was all shot to pieces following a long string of serious injuries...The Dayton club, after being idle for several weeks, returned to action and held the Detroit Panthers to a scoreless tie. Both teams fumbled frequently. Conzelman featured with a one hand stab of a forward pass...The Buffalo Rangers pushed Hartford down another notch in the percentage table to the tune of 13 to 6. The ozone will probably be full of footballs. Both squads do a lot of tossing.

# Pro League Game Will Be Staged at Cubs Park; Big Crowd Expected at Clash

## PACKERS AND BEARS TANGLE IN CHICAGO ON SUNDAY

NOV 20 (Chicago) - Determined to stay at the head of the percentage column of the NFL, the Chicago Bears have put in a stiff week of preparation for their game with the Green Bay Packers Sunday and, after the workout this morning, Manager Halas expressed himself as well pleased with the condition of his men and opined that his huskies would be just "rarin' to go" when Referee Cahn blows the whistle to start hostilities at Cubs park. The kickoff is at 2:15. During their workouts of the past week the Bears have been rehearsing some new plays which they are going to spring on the champions of the Badger state and, according to those on the inside, the plays have been perfected to such an extent that they will cause not only the players on the Packer team to sit up and take notice but also the thousand of Green Bay fans who are expected to be in the stands at Cub park...DRILL ON PASSES: Walquist had been tuning up his passing arm and Driscoll, Hanny, Mullin and Rooney have been chased to all corners of the lot to gather in the passes thrown by the former Illini star. It looks very much as if the Bears will fill the air full of footballs in an effort to down the invaders. This game is the most important pro game to be played in Chicago and has created no end of talk on the North Side. If the Bears win it means that they will probably finish the season at the top of the heap in the pro league but should they lose it will give the Packers, Pottsville and Frankford better than even chances to cop the bunting...THREE GOOD OFFICIALS: The officials of the league also realize the importance of the game and have assigned some of the best arbiters to handle the fracas. Bobby Cahn, diminutive official, will be the referee. Lawton of Detroit will work as umpire and the headlinesman will be Edwards of South Ben. These officials are certain to keep the old game going from start to finish as they follow the ball closely and are always on the job.

## PACKERS ARE READY

NOV 20 (Green Bay Press-Gazette) - All primed for the occasion and in their best condition of the season the Packers, twenty strong, left this morning at 7 o'clock for Chicago where they tackle the Bears Sunday afternoon at the Cub park. The Packers have gone through a week of hard work for this game, the most important one on their schedule and every man on the team is confident that when the whistle ends the combat that the Big Bay Blues will be on the top. The team is traveling in a special chair car attached to the train and when they arrive in Chicago will go immediately to the Parkway hotel. The Packer leader expressed confidence in his team and stated nothing short of a win would suit him.

## PACKERS PLAY BEARS TODAY FOR PRO LEAD

NOV 21 (Chicago Tribune) - The Green Bay Packers, the only team in the National pro grid league to tie the undefeated Bars, will invade Cubs park this afternoon and attempt to topple the Bruins from their lofty perch at the front of the league procession. The first argument, waged on the Wisconsin gridiron, resulted in a 6 to 6 deadlock with the Bears counting the tying touchdown late in the fourth quarter. The sole defeat chalked against the record of the Packers was placed there by the Chicago Cardinals, but the Green Bay eleven obtained revenge later, humbling the Cards, 3 to 0, at Normal park. For the first time in several weeks, the Bays have no hospital list and will throw their entire strength against the redoubtable Bear line. With Lambeau, Lidberg, Lewellen, Kotal, McAuliffe, Enright and Purdy ready for backfield duty, the Bears will face the best set of backs they have met this year. Lewellen hits the line with the drive of Nevers, and Purdy not only is an accurate forward passer but can trip around the ends with agility. The Bears are in good condition and Driscoll, Senn, Walquist and Romney will be hard to stop. The team has been strengthened with the addition of Dilweg at end and Johnny Bryan in the backfield. Both have been playing excellent games for the Milwaukee Badgers, now

### **THE LOUISVILLE COLONELS**

The Louisville Colonels were created in 1926 to fill the schedules of the expanded NFL, but they were a traveling team that operated out of Chicago. That season, the NFL added several semi-pro teams to their ranks, mostly to keep them out of the rival American Football League. While the Colonels were really a traveling team out of Chicago, they are usually accepted as a continuation of the Brecks franchise. Bill Harley, the former owner of the Toledo Maroons, was granted the right to manage the Louisville Colonel operation out of Chicago, while Hertman still owned the team. The Colonels failed to register an NFL victory during the 1926 season. The team's first game resulted in a 13–0 loss to the Canton Bulldogs, while their second game resulted in a 47–0 loss to the Detroit Panthers. Louisville's final two NFL games came on November 7, 1926 (Chicago Bears 34, Louisville Colonels 0) and November 14, 1926 (Green Bay Packers 14, Louisville Colonels 0). The Brecks-Colonels franchise is the last team from the four currently extant major professional sports leagues of North America to play its home games in Kentucky, although the Kentucky Colonels played in the American Basketball Association from 1967 until the ABA-NBA merger brought the ABA into the National Basketball Association after the 1975–76 season. Only five of 38 different players played NFL football outside of Louisville. (SOURCE: Wikipedia)
