GREEN BAY PACKERS WALLOP RACINE LEGION 16 TO 0

Horlick-men Handed Coat Of Whitewash; Outclassed By Bays In Snappy Game

GAME RECAP (GREEN BAY PRESS-GAZETTE)

(RACINE) - Unleashing a savage and wicked attack and keeping Shorty Barr's aerial drive covered like a tent, the Green Bay Packers handed the Racine Legion a 16 to 0 walloping Sunday afternoon at Horlickville in a pro league game before some 3,500 spectators. It was the biggest crowd that ever attended a pigskin contest in Racine. The game was more one sided than the score would indicate. Twice the Packers lost the ball on the Legion's one yard line and, when the final whistle blew, the Bays had the pigskin resting four inches from Racine's goal, first down with a touchdown looming.

RACINE BADLY OUTCLASSED

The Packers gained 439 yards against Racine's 122. This tells the story in a nutshell, the Legion were never near enough the Packers' goal for Hank Gillo to even try for a field goal. The Racine star's gilded toe was covered with crepe. It was one of the greatest games ever played by a Packer team and the game was witnessed by the greatest following that ever followed a Green Bay eleven to a foreign field. There were 240 seats saved for the Bay delegation, down near the goal line. Half an hour before the whistle blew, the section was jammed to capacity and the overflow jammed into every available inch of space. It is safe to say that there were close to 500 Green Bayians at the game.

JOY RULED SUPREME

And how they enjoyed themselves. When Lambeau skirted around end early in the game for a touchdown, the Bay rooters nearly went wild. Pandemonium ruled supreme. Hats were thrown into the air and the joyful rooters staged a demonstration that opened the eyes of Racine. Towards the close of the game, when the Legion followers began mourning to beat a hasty retreat, the Green Bay followers gave them a fine bunch of raspberries. It was an ideal day for football. The field was fast as lightning. The crowd gathered early and, when the whistle blew, vacant seats were at a premium. Before the game, Racine's famous drum corps staged a drill on the field. This made a big hit with the crowd. The corps went through the same fancy steps that won first place at the Legion convention in San Francisco last month.

WHAT CAHN SAID

After the game was over, Bobby Cahn, the Chicagoan who officiated, came up to a member of the Packers and paid this compliment: "It was the greatest exhibition of football I have ever seen by a pro team. The Packers' performance was superb. The line drilled big holes while the backs picked their openings wonderfully. I think Buck is the most consistent kicker in pro football." Getting back to the Racine rout, Shorty Barr had a tough afternoon. He tried pass after pass but the majority of his tosses went astray. Barr grew desperate in the closing minutes and he was even throwing 'em while standing behind his own goal line.

CRACKING 'EM HARD

The Packers were cracking 'em hard, but fairly. Rowdy Elliott wilted after several tough bumps and was forced to retire while the continual pounding of the Big Bay Blues had several other Ruetzmen much the worse for the wear. Captain Lambeau's team held the upper hand right from the opening whistle and they were never headed. Revenge was sweet and Racine got a licking they will never forget. The Packers played perfect football. There was not a flaw in the attack while the defense, built up to curb the Racine air drive, functioned superbly.

EARPS HURTS ANKLE

Jug Earps was forced to retire in the third quarter with a twisted ankle but the big tackle hopped around on one leg and unless complications set in, he will be fit for the fray next Sunday against Milwaukee. The only other change in the Green Bay lineup was when Wheeler was sent into the game for a few minutes to replace Hayes.

ALL PLAY BRILLIANTLY

Every man on the Packer team was a star. Captain Lambeau played like he never played before. Gavin cracked the line for gain after gain while Mills and Mathys made the Racine defense look foolish. Hayes, Murray and Wheeler were stars at the ends. Jab nabbed a forward pass for a big gain and he was happy as a kid with a new top. Earps, Buck and Lyle did their jobs at the tackles superbly while the Bay center trio, Woodin, Niemann and Gardner, could be likened to a stone wall. Halladay and Milt Romney did the brunt of the work for Racine.

BING SCARVADA, BESSEMER ACE, IN PACKERS LINEUP

NOV 12 (Green Bay Press-Gazette) - Bing Scarvada, star halfback of the Bessemer (Mich.) pro team, has been signed by the Packers. Scarvada will arrive in Green Bay this evening and will be all set to report for practice tomorrow morning. Scarvada, who is a line plunger extraordinary, tore wide holes in the almost impregnable walls of the Hibbing and Ironwood teams during the season just closed. Scarvada weighs about 190 pounds and is a fast open field runner. He is a superb defensive player and is expected to greatly strengthen the Packers backfield, which seems to have hit its season's stride. Manager Caldwell of the Bessemer eleven, former Penn State tackle, recommended Scarvada highly to the Packer management as did Walter Buland, manager of the Hibbing team.

PLAY-BY-PLAY FANS 'RAISE THE ROOF' AT TURNER HALL

NOV 12 (Green Bay Press-Gazette) - Between 250 and 300 football fans who could not make the trip to Racine, followed the destiny of the Packer team yesterday afternoon at Turner hall through the medium of a play by play service direct from the Belle City gridiron. When the Packers scored the first touchdown, the fans nearly "raised the roof" with their lusty yells. The same service will be carried on the Milwaukee-Green Bay game next Sunday.

MAKING PLANS FOR MILWAUKEE INVASION ON SUNDAY

NOV 13 (Green Bay Press-Gazette) - All aboard for Milwaukee! Unless the signs of the times are all wrong some 600 Green Bay football fans will follow the Packers to Milwaukee on Sunday where Captain Lambeau's team will battle the Milwaukee Badgers in a state championship pigskin encounter. Last Sunday over 400 Packer followers hit the trail for Racine and they had the time of their lives. The Bay delegation is expected to be nearly doubled this weekend as the Cream City is a bit closer to home...ARRANGEMENTS UNDERWAY: Arrangements for the Green Bay invasion of Milwaukee are in the making. Efforts are being made to get a jazz band together and a number of the musicians have already volunteered their services to help put over the Bay sojourn in Brewers town in a blaze of glory. Manager McGurk of the Milwaukee Badgers have set aside a block of 800 seats for Green Bay (and what's more they will be located in the center of the field). McGurk was much pleased when told a band would probably accompany the Bay delegation...GETTING BAND TOGETHER: George De Lair is getting a band together and those wishing to hop on the bandwagon are asked to get in touch with him immediately, the more the merrier. It is planned to have the jazz band parade around the gridiron before the game and between halves. With the exception of Jug Earps, the husky tackle, the Packer squad came out of the Racine game in pretty good shape. Practice was resumed this morning and Captain Lambeau has mapped out some "new stuff" which he expects will help put the skids under the Badgers. A victory for the Packers on Sunday cinches the pro championship for the Bays for another season...STUDENTS TO ATTEND: The Green Bay club at Marquette is planning to attend the game in a body and they will bring along many of their classmates to help cheer the Packers to victory. Let's do it "the Green Bay way" Sunday and show Milwaukee again that the Bay is the greatest football town of its size in the country.

CAL'S COMMENTS

NOV 13 (Green Bay Press-Gazette) - With the state football championship back in their grasp again, the Green Bay Packers will invade Milwaukee on Sunday for a skirmish with Jimmy Conzelman's Badgers. Right now the Brewers appear to be hitting on all eleven but it is our opinion that, if Captain Lambeau's team continues at the same clip they polished off Racine last Sunday, there isn't a team in the country that can beat 'em. And we know we are taking in a lot of territory in this statement...Two of the pro games Sunday were either tied or won in the last minute of play. Winkelman kicked the field goal for Milwaukee that beat Duluth with 40 seconds to go while Pete Henry kept the Canton slate clean by boosting the pigskin between the uprights against Buffalo just as the timers' whistles were about to blow. This kick tied the count at three all. Who said thrills were missing in pro football?

PLAY-BY-PLAY TO FLASH "STORY" ON MILWAUKEE GAME

NOV 13 (Green Bay Press-Gazette) - The play-by-play service, which has proven so popular with the football fans, will be set up again Sunday for the Packers' clash in Milwaukee against Jimmy Conzelman's Badgers. A direct wire will connect Athletic park, Milwaukee, with Turner hall, Green Bay. The game in Milwaukee will start at 2:30 and half an hour before the play by play wire will start "talking". Another big crowd is expected.

Jimmy Conzelman Changes His Attack For Sunday's Game; Determined to Win

EXPECT PACKERS TO DRAW BIG CROWD IN MILWAUKEE

NOV 14 (Milwaukee) - The biggest crowd that ever witnessed a professional football game in this city is expected to be on hand Sunday afternoon at Athletic park when the Green Bay Packers face Jimmy Conzelman's Badgers in a pro league game, which will just about decide the state championship. The Packers draw better here than any other team in the pro wheel. The Northerners are coming here with a well oiled football machine determined to sew up the title again, which they have held since 1917. The Packer squad is rated as one of the best in the country and last Sunday walloped Racine 16 to 0, the game being much more one-sided than the score would indicate...ABOUT 600 STRONG: Green Bay, rated as the best football city of its size in the country, is coming here Sunday about 600 strong. The Packers have the most loyal following in pro football. Aside from the rooters, Green Bay's Lumberjack band, with a trio of funmakers, will be in attendance and they are lining up a lot of new stunts to open the eyes of the spectators. Two years ago, this band invaded Chicago and "burned up" State street and other highways of importance in the Windy City...OVERCONFIDENCE COSTLY: Green Bay defeated Milwaukee in their October meeting and this loss still rankles in the memory of Jimmy Conzelman and his teammates. Candid enough to admit that Milwaukee lost because of their overconfidence, Conzelman has seen to it that no such arrogance remains to hinder a win at Athletic park this week. Milwaukee will take the field for a stiff practice each day this week and is now perfecting a complete revised system of play. Green Bay will run up against a different team and a different style of attack this Sunday than it did when the two teams met before...TAKING NO CHANCES: The locals are taking no chances in being thrown for a loss on Sunday. There is too much at stake. Manager McGurk has promised his crew a game here with the Canton Bulldogs, provided they defeat Green Bay, and this is the goal to which the Badgers are pointed. Canton is acknowledged one of the best teams in the country today and a win over them will insure the locals national recognition.

LUMBERJACK BAND ALL SET FOR MILWAUKEE INVASION; MANY BAY ROOTERS GOING

NOV 15 (Green Bay Press-Gazette) - Arrangements are progressing nicely for the Green Bay invasion of Milwaukee on Sunday and, unless all signs fail, over 700 followers of the Packers will be in the stands at Athletic park when Captain Lambeau's team starts battling with Jimmy Conzelman's Badgers. The Lumberjack band is assured. Tony Vandenberg and Ernie Stiller are rounding up the musicians. The band will be twenty strong and every member will be "toggled out" in the Lumberjack togs like which they used when they burned up Chicago two years ago. The bandmen are donating their services. They will make the trip in a big truck owned by the Leicht Transfer Co. This company is only charging for the driver's salary and the oil and gas en route. Meals for the band total \$30. Each of the musicians will be allowed two meals at 75 cents apiece. The total cost of the trip will be under \$70 and this money has been raised by dollar

volunteers. The list of the donors will be made public in Friday's paper. Green Bay's seats are on the west side of the field and 800 of them have been set aside by the Milwaukee management. The Bay reservations are located close to the center of the gridiron.

MAY TOUR SOUTH

NOV 15 (Milwaukee) - The Milwaukee pro team, which meets the Green Bay Packers at Athletic field on Sunday, is already looking forward to a post-season swing around the south and east. Manager McGurk is in receipt of telegrams from St. Louis, Des Moines, Pine Bluff, Ark.,; Shreveport, La.; New Orleans, Richmond, Atlantic City and Philadelphia from teams who have heard of the grid prowess of the Milwaukee outfit and seek games. Milwaukee is on the upgrade and is now tied for third place out of the twenty teams in the National league. This is remarkable considering that this is only Milwaukee's second year in the game. The Sunday game is the hardest contest that they faces thus far this season and, as a result, the sixteen men comprising the local squad have been practicing three hours daily. If Milwaukee can win over Green Bay on Sunday, McGurk plans to bring the famed Canton Bulldogs here for a game that will take on the aspect of a national championship match.

RACINE IDLE SUNDAY

NOV 15 (Racine) - The Racine Legion squad will lay off Sunday and the players will attend the Milwaukee-Green Bay game in the Cream City. Racine was booked to play at Toledo but things are not breaking any too good for Gil Falcon and his team in Mudhenville and the Toledo manager was forced to call off the game on account of financial conditions. Manager Ruetz has announced the release of players Miller, Braman and Bauer. The management is negotiating for a new tackle and halfback.

CAL'S COMMENTS

NOV 15 (Green Bay Press-Gazette) - With an air of expectancy, Milwaukee is looking forward to the Green Bay invasion on Sunday. The Packers always draw well in the Cream City and their appearance on Sunday is expected to draw the biggest crowd that ever attended a pro league game in Athletic park, the playground of Otto Borchert's Brewers during the summer months when baseball rules supreme. Eight hundred seats have been saved for the Bay rooters and it is a safe bet that the Packer section will be well filled. Better come along.

PACKERS "RARIN' TO GO" FOR GAME WITH MILWAUKEE

NOVEMBER 16 (Green Bay Press-Gazette) - Fit for a fray, and in the pink of condition, the Green Bay Packers will hop off Sunday afternoon for Milwaukee, where on Sunday the Big Bay Blues will rub noses with Jimmy Conzelman's Badgers in a pro league title. A win for the Packers cinches the state championship. Hundreds of Bayites will invade Milwaukee for the Sabbath day tilt. Eight hundred seats, located in the west stands directly in the center of the field, have been saved for Green Bay's followers. Special seats have been set up for the famous Lumberjack band and the fun makers...STAY AT WISCONSIN HOTEL: During the stay in Milwaukee, the Green Bay headquarters will be at the Wisconsin hotel. The Packers squad will reach Milwaukee about 6 o'clock, and get a good night's sleep before the big game. The team will leave here at 1:45 o'clock from the Elks club. The Packer squad has spent a strenuous week of practice. Last night there was a blackboard talk at the Continuation school and Captain Lambeau went over all the new stuff which will be used against Milwaukee. The players are rarin' to go and it will be a smashing, crashing Green Bay team that takes the field on Sunday.

CAL'S COMMENTS

NOV 16 (Green Bay Press-Gazette) - It will be up to the Packers to put the skids under Milwaukee's dream of a gridiron conflict with the Canton Bulldogs. Captain Jimmy Conzelman has promised his players a conflict with the world champions if they put one over on Green Bay. Of course this is a golden opportunity but we've got a hunch that the Milwaukee club will stick to its regular schedule.

ROCK ISLAND WILL PLAY BEARS; CARDS TO BATTLE DULUTH

NOV 16 (Green Bay Press-Gazette) - Knop, the newest addition to the Chicago Bears' backfield, is proving a find for Manager Halas. The former Illinois star is some line plunger and he tops off the Bruins' offense with sensational advances...Daum played a whale of a game for Akron against the Bears. His aggressiveness sort of roused the ire of the Chicagoans and several times he was the target of vicious attacks but the Akronite escaped unmarked...Once again, Pete Henry, the Canton Bulldogs' star tackle, bobbed into the limelight. With about a half minute to go, Henry kicked a field goal which kept Canton's slate cleans by knotting the count against Buffalo...Luke Urban showed flashes of his old time form against Canton. His smashing defensive tactics on the wing gave Guy Chamberlain and Co., considerable trouble during the bitterly contested gridiron argument...Sies, the Rock Island captain, was kicking in hard luck against the Minneapolis Marines. The Independent leader blew a half dozen chances for field goals, any one of which would have put the tilt on

ice...Abe Kaplan, the former Hamline star, is developing into a kicking fool for Minneapolis. He came through with two clean drives in the Rock Island fracas and both of his boots were over the forty yard mark.

THOUSANDS WILL WITNESS PACKER-MILWAUKEE GAME

NOV 17 (Milwaukee) - With fair weather forecast, Manager McGurk of the Milwaukee Badgers is making preparations to handle a record breaking crowd Sunday afternoon at Athletic park when his Milwaukee Badgers mix with the Green Bay Packers in a pro league football encounter. It is a crucial game in the state championship series. Green Bay needs this game to sew up the title which it has held since 1917. However, Jimmy Conzelman and his Badgers are determined to knock off the Big Bay Blues...PACKERS PACK 'EM IN: Never before has a pro game attracted so much interest here. The Packers, always a splendid drawing card in Milwaukee, are expected to pack the gate. Racine is idle on Sunday and several hundred of the Legion followers are coming here to see the game. Last Sunday, Green Bay walloped Racine, 16 to 0. The contest was much more one sided than the score would indicate.

Many football followers from all parts of the state who attended the Wisconsin-Michigan game on Saturday plan to stop off here for Sunday and see the pro teams in action. The Green Bay rooters, about 800 strong, will cut a figure at the game. Living up to the slogan, "The Pro team with the College Spirit", the Packers will have an organized cheering section, headed by several comedians. Green Bay's famous Lumberjack band will be very much in evidence and this famous musical organization, outfitted in woodcutters' togs, bobtail shows, etc., will show the crowd a lot of their fancy stuff...CAHN TO REFEREE: Bobby Cahn of Chicago has been named by President Joe Carr of the NFL as referee. George Downer, football expert of the Milwaukee Journal, is to umpire while Jimmy Coffeen of Beloit will be the head linesman. Regulation periods of 15 minutes will be played. Both teams are reported fit for the fray. The rival captains both predict a victory and claim they will have no alibi to offer if beaten. There is a red hot rumor in circulation here that Hal Hanson, the famous Ironwood, Mich., coach and fullback, will be in a Green Bay uniform here on Sunday.

CARDS' GAME SET BACK TO DECEMBER; DULUTH TO PLAY PACKERS HERE ON NOVEMBER 25

NOV 17 (Green Bay Press-Gazette) - The Duluth Kellys, one of the strongest teams in the pro league, will appear in Green Bay Sunday November 25, instead of Thanksgiving Day, as originally scheduled. This shift in playing dates was made necessary when Manager Chris O'Brien of the Chicago Cardinals shifted the Packer game back to a December date. According to O'Brien, he didn't want his club to meet such tough going, just before the annual clash with the Bears. With Duluth moved up to Sunday November 25, the Packers have an open date on Thanksgiving Day but the Green Bay management is now negotiating for a game with one of the strongest teams in the pro league and there is a possibility that the contest will be staged in Green Bay on Turkey Day. Duluth has a corking good team this season. Headed by "Little Joe" Sternaman, former Illinois star, the Kellys have a swift moving aggregation, capable of holding its own with the best in the country. Duluth has beaten the Marines and Ironwood twice; downed Hibbing in a close game and took a fall out of Akron.

LEAGUE GOSSIP

NOV 17 (Green Bay Press-Gazette) - Dewey Lyke, former Minneapolis and Rock Island star, is having a great year with the Green Bay Packers. Lyle's brilliant play has helped keep the Badger state champs pretty well up in the pro league pennant chase...Duluth's clean record was smeared last Sunday when Milwaukee waltzed home with a 6 to 3 victory while Ollie Kraehe's St. Louis club marked up their first

victory by taking the Indians into camp, 14 to 7...Cleveland has a tough game booked for Sunday as the Columbus Indians will attempt to put a dent in the winning streak. Another tough battle brings together the Chicago Bears and Rock Island Independents...Bo McMillin performed in the Cleveland backfield against Dayton. The former All American star showed lots of his old class against the Triangles, cutting loose for several spirited dashes over the gridiron...Thiele is playing brilliant ball at end for Duluth. He is an adept receiver of the forward pass, being a sure catch of the pigskin. Thiele gets down the field fast under the punts and can table like a demon...Milton has shown lots of class as a footballer since joining the St. Louis team. Manager Kraehe secured the wingman from Milwaukee via the waiver route. Milton starred in the game against the Indians last week...Arrow Head, Jim Thorpe's right end, broke into the scoring table in the tilt at St. Louis, He grabbed a well directed air toss from the famous Jim and scampered ten yards through a broken field for a touchdown...Madigan has performed with class at center for Duluth. He has lot of pep and fight in the scrimmage field and he is fast on his feet for a big fellow. Madigan passes superbly to Little Joe Sternaman on kicks...Winkelman, the Milwaukee backfielder, is developing quite an educated toe. In the Duluth argument, Winkelman counted both of Milwaukee scores, with well directed kicks from placement with Conzelman holding the ball...The Columbus team is building up a splendid aerial attack and it was the forward passing game that beat the Toledo Maroons, 16 to 0. Pete Stinchomb's crew has played brilliant ball in their last few starts...Watson is proving himself a handyman to have around in the Toledo backfield. He can play quarter or any of the other positions well and has the faculty of being up there fighting all the time he is in action...Annan turned in a swell game for Hammond against the Chicago Cardinals. He ripped off considerable yardage on his smashes outside of tackle besides being in the midst of the scrimmages on the defense...Rip Crangle plunged his way through the Hammond line for the only touchdown in the Hammond game. Chris O'Brien's husky fullback is nearly always a sure ground gainer when there is a yard or two to go.

LUMBERJACK BAND ALL TUNED UP FOR MILWAUKEE JAUNT

NOV 17 (Green Bay Press-Gazette) - "If music counts for anything, the Packers will win by a mile," so said a member of the Lumberjack band as he dusted off his sheepskin and got his red flannel shirt ready for the invasion of Milwaukee on Sunday. "We opened the eyes of Chicago," said another member of the band, "and we hope to knock 'em dead in Milwaukee. Watch us go tomorrow, we'll be in there playing just as hard as our footballers." The Lumberjack band has planned all sorts of fancy capers for the big show. Every member of the band is a crackerjack musician and they have had several rehearsals in order to put their stuff over with a bang. The Lumberjacks leave from the Stiller store on Cherry st., Sunday morning at 5:30 o'clock. It is important that every member of the band be on the job promptly. The trip will be made in Leicht's big truck and it is planned to cut a few capers en route. A set of Packer yells have been drawn up and printed. They will be handed out to the Green Bay spectators at the park on Sunday. Tom Mulligan, a former East High cheerleader, has volunteered his service and he will lead in the Packer followers in whooping it up. Billy Pratt and Mulligan Seroogy will be on hand to do their stunts and it is probable that several other funmakers will take along their bag of tricks to amuse the crowd.
