PACKERS TAKE FALL OUT OF MILWAUKEE BADGERS 12-0

GAME RECAP (GREEN BAY PRESS-GAZETTE)

(GREEN BAY) - The Packers tightened their hold on the state football championship Sunday afternoon at Bellevue park when they defeated the Milwaukee Badgers in a pro league pigskin encounter by the score of 12 to 0 before quite a gathering of football fans. It was a splendid exhibition of the gridiron game. Both teams cut loose with a lot of open play stuff and the contest developed into just one thrill after another. The pigskin see-sawed up and down the field quite frequently with both teams gaining considerable yardage.

PUT BREAKS ON TIGHT

But through it all, the well-oiled Packer machine functioned superbly. The team was hitting on all eleven and it seemed as if every time the visitors got within the danger zone, the Bay team would put on the brakes and shut down tight on Jimmy Conzelman's orange sweated athletes. The play-by-play summary credits the Packers with gains of 273 yards while the visitors piled up 216 in yardage. The Packers never looked better than they did against Milwaukee. The line opened up gaping holes and the backs picked their openings with second sense. As usual, the Green Bay far famed aerial attack was very much in evidence and, during the third quarter, they had the Badgers running around in circles, trying to follow the pigskin.

SCORE IN FIRST QUARTER

Towards the close of the initial period, the Packers worked the pigskin well down towards the Milwaukee goal. Three rushes netted but little yardage and Cub Buck stepped to the 35 yard line. The Bays' big tackle sailed the pigskin through the uprights, clean as a bell for the first score of the game. There was nothing doing in the scoring line in the second period. The invaders cut loose with a lateral pass attack and loomed dangerous. They swept down the field but the Packers held tight about the 30-yard zone and the danger was passed.

GET GOING GOOD

In the third quarter, the Packers renewed their drive with vengeance and it wasn't long before the Milwaukee club was doing a two step backwards. Twice Conzelman called a halt and read the riot act to his squad but it was wasted energy. Down along the 40 yard mark, Lambeau uncorked a long forward pass which Cowboy Wheeler nabbed on the dead run and scampered across the goal line for a touchdown. The crowd went wild. Buck added to the joy by kicking the goal. During the remainder of the game, the Packers held the upper hand by a city block. Every now and then the Badgers would spurt a bit but it was only a flash in the pan. Twice it seemed if the Packers were headed for more touchdowns in this period but the visitors stonewalled in the shadow of their goalposts.

RENEW SMASHING ATTACK

In the last quarter, the Packers renewed their smashing attack and all the play was down in Milwaukee's own backyard. Niemann covered a fumbled punt and the Packers were right within scoring distance. However, Milwaukee held tight and took the ball on downs. The attempt to punt was blocked and it was grounded back of the Milwaukee goal line for a safety. A technicality robbed the Packers of a touchdown on this play as Niemann hopped on the pigskin. The ball, when blocked, bounced out of the end zone and back again into the territory. The football rules automatically declare this is safety against the defending team.

PLAY SMART FOOTBALL

The ball was put in scrimmage on the 20 yard line by

Milwaukee. Soon after, the Packers regained the ball and, once again, started for the goal. A smart play, a fake kick on which Buck passed to Lambeau, put the Packers up close again to a score. Buck missed a field goal shortly before the final whistle blew. Jimmy Conzelman starred for the invaders. He was here, there and everywhere and got away for a couple of snappy runs. Winkelman also proved himself a great ground gainer. Peaches Nadolny busted into the fray towards the close. The crowd gave him a good hand.

PACKERS SHOW CLASS

Every man on the Packer squad came through with bells on. Hayes and Leaper made their first appearance of the season and covered themselves with glory, Wheeler broke into the touchdown class very nicely. Basing continued his brilliant performances while Mathys, Lambeau, Mills and Gavin were in the midst of the fight every minute. Niemann was a team in himself at center. Lyle, Gardner and Woodin smashed every minute at guards, while Buck, Earps and Murray turned in a swell job at the tackle positions.

PLAN TAG DAY FOR PACKERS ON SUNDAY

OCT 23 (Green Bay Press-Gazette) - The Green Bay Packer football men will no longer shiver on the benches or take turns at the captain's leather coat if the efforts of the Auxiliary to the Catholic Women's club and the goodwill of the public can help it. Visiting teams promenaded onto the field with bright colored blankets around them and sit warmly wrapped in them while on the benches. "Our Packers" blankets are sadly missing. And to the enthusiastic football fans there is nothing short of a shame. So they have decided that when the team sallies forth to St. Louis a week from Sunday, they too will promenade onto the field with "GREEN BAY" printed proudly on the backs of their blankets. After much conference yesterday, with various levels of organizations, the girls were granted permission to hold a tag day on Saturday October 27. They will be on the streets all day and during the evening and will ask everyone to help Green Bay by helping buy the Packers' blankets. The team is a community organization, and the blankets will be merely an addition to the equipment of the public's property. The surplus proceeds collected during the day will be divided equally among the public charities. "Help Keep the Packers Warm and Boost Green Bay" is the slogan adopted by the girls, who hope to have a surprise for all spectators at Sunday's game.

RACINE LEGION "TRAINS ITS GUNS" ON PACKER GAME

OCT 23 (Racine) - Twice a day workouts have been ordered for the Racine Legion football team in preparation for the state championship football game which will be played at Green Bay on Sunday against the title holding Packers. Captain Gillo is determined to win the argument and every player on the squad will fight behind their goal kicking leader to the last ditch. Racine has shown class on the gridiron this season. The Legion lost to the Bears, 3 to 0, but played tie games with Toledo and Milwaukee, and last Sunday defeated Akron, 9 to 7...GILLO IS STAR: In Gillo, Racine has one of the greatest kickers in pro football. He specializes in place and against Akron booted three of them between the uprights, winning for Racine single handed. Gillo has always been a thorn in the side of the Packers and he is liable to cause them a lot of trouble on Sunday. However, Gillo isn't the only star in the sky on the Racine team. The Horlickmen have three quarters, Shorty Barr, who played with Wisconsin last season, Dressen, last year's regular, and Milton Romney, who gained fame at Chicago...ELLIOTT AT HALF: Rowdy Elliott of Wisconsin and Irv Langhoff of Marquette are the first string halfbacks and they are capable of playing brilliant football. Paul Meyers of Wisconsin and Fritz Roessler of

RACINE CENTER

JACK MINTUM.

Racine boasts of one of the best centers in Pro football. Jack Mintum has snapped the pigskin for the Legion team for several seasons and has always basked in the limelight. His battle against Wally Niemann in Sunday's Racine-Packer game here should be one of the outstanding features of the contest.

Marquette hold down the end jobs with Heinsch of Indiana in reserve. Miller of Purdue and Smith of Wisconsin, an Oshkosh product, are the varsity tackles. Foster of Indiana and Braman of Yale substitute at these positions. Bud Gorman, Tommy Gibbons' sparring partner and Cing Tong of Chicago flank the center with Hueller and McCaw of Indiana as extras. Jack Mintum, rated one of the best centers in the pro game, will pass the ball. There is a lot of interest in Racine over the game and it is estimated that at least three hundred rooters will make the pilgrimage to Green Bay for the gridiron combat. Manager Babe Ruetz has reserved a block of seats and the Racine rooters will all be grouped together.

CAL'S COMMENTS

OCT 23 (Green Bay Press-Gazette) - The Chicago Cardinals bumped into some stiff going last Sunday and it was only Paddy Driscoll's toe that enabled them to beat the Minneapolis Marines. Chris O'Brien arranged a pretty good schedule for show purposes and up until the Marine game they looked like the class of the league. Of course, comparison of scores don't amount to much but the "dope bucket" is always good feeding and it is well to remember that the Packers beat the Marines by a 12 to 0 count. And it was touchdowns beside...Racine Legion's footballers will give battle to the Packers in Green Bay on Sunday. It will be another game in the series for the Badger state championship besides cutting a figure on the pro league race. Racine has a classy squad of pigskin chasers. The Legion's lineup is studded with stars and, in Hank Gillo, the Legion has one of the best field goal kickers on the professional gridiron. Last Sunday, he beat Akron single handed, booting three placekicks successfully.

PACKERS TRAVEL FOR 4 WEEKS AFTER RACINE GAME

OCT 24 (Green Bay Press-Gazette) - Sunday's State championship football game between the Packers and Racine will be the last home appearance of the Green Bay eleven for four weeks. During their journey abroad, the Packers will visit St. Louis, Racine, Milwaukee and Chicago in the order named and then come back here to play Duluth on Thanksgiving Day which, according to schedule, is the last home game of the season. The pigskin fracas with Racine is kicking up a lot of interest around this part of the state and one of the biggest crowds of the season is forecast. Tickets will be placed on sale Thursday night at the usual places about town. The advance reservations, it is said, are unusually heavy. Racine wants 150 seats for the rooters, who will follow the Horlickmen here for the game...ANOTHER THRILLING GAME: Those who watched the Packers best Milwaukee last Sunday are still talking about the game. It sure was a thriller and it is safe to say that the Racine game will be built along the same order. The Legion eleven are said to be adept at the aerial attack, and they are working twice a day on air formations with which they hope to down the Packers. Racine has one of the best teams in the pro league. Headed by the famous Hank Gillo, goal kicker extraordinary, every man on the squad is right at home on the gridiron. Shorty Barr and Paul Meyers, two players famous in Wisconsin football history, perform with Racine. In Rowdy Elliott, another ex-Badger, and Irv Langhoff, who starred at Marquette, Racine has a sweet pair of halfbacks. Milt Romney and Death Halladay, two former Chicagoans, are also on the team. Bob Gorman, who is one of Tommy Gibbons' sparring partners, is holding down a line position...ARE PRACTICING HARD: The Packer squad is continuing its daily workouts at Joannes park. The players are in pretty good physical condition and the team spirit is 100 percent. Every man on the team will be "rarin' to go" when the whistle blows for the Racine skirmish. One of the players said: "We're going to earn those blankets on Sunday. The squad is much pleased with the tag day plans to raise money for the purchase of the blankets and they are willing to help the drive along anyway possible."

CAL'S COMMENTS

OCT 24 (Green Bay Press-Gazette) - Shorty Barr, who gained considerable fame as a footballer while at Wisconsin, will show his stuff on a Green Bay gridiron Sunday afternoon when he plays with the Racine Legion against the Packers. Barr made quite a reputation for himself as a forward passer while at Madison. It will be interesting to watch how he stacks up with Captain Lambeau of the Packers, who is rated as one of the best tossers in the pro game.

WEAR A BLUE TAG TO HELP BUY BLANKETS

SOME KICKER

"HANK" GILLO.

Meet Hank Gillo, the pigskin chaser with the wicked toe. The Racine full-back is running Paddy Driscoll a close race for premier bootsmith honors on the professional gridiron. Last Sunday, he beat Akron single-handed, counting three times on place kicks. One of his successful attempts carried 50 yards.

Sir Henry always has given the Packers trouble galore. In 1921, he booted a field goal in the last two minutes of play, knotting the count. Last year in the game played here he added three points to the Racine total. In the second game at Racine, he pulled the Legion out of defeat with a place kick in the last second of play. This score tied count.

Gillo, who was picked by Walter Camp for his All-American, when he played at Colgate, is going to be an object of much attention here Sunday and the Packer squad hopes to keep him covered every minute.

FACES PACKERS

'RIDER' HEINSCH

Heinsch is one of the star ends on the Racine Legion team. He is a swell 'grabber' of the forward pass and a 'drag 'em down' tackler on the defense. Heinsch has played several games against the Packers and always has shown his class. He is of the fighting type of footballer and never knows when to quit.

OCT 24 (Green Bay Press-Gazette) - "Putting spirit in professional football." This is the way that many have designated the move of the Auxiliary of the Catholic Woman's club in putting on a tag day Saturday to raise money to buy blankets for the Packers. Civic pride urged the girls to ask each football fan in the city to give his little bit that the boys who represent the smallest city in the Football league could proudly carry the name "Green Bay" onto the foreign fields in a greater measure. Week after week, as green, orange and red blankets with flaming letters shrieking the name of the city from whence they came, were ushered onto the field, the idea grew in the minds of the girl fans. And with the first out of town game only two weeks off they asked the mayor for permission to raise money by a tag day. "Tis a serious matter," said he, "but I guess I can say yes this time."

DOLLY GRAY, FAMOUS PRINCETON END, JOINS PACKERS

OCT 25 (Green Bay Press-Gazette) - Jack (Dolly) Gray, the famous Princeton end, who made three touchdowns against Chicago last year in the much-talked of intersectional game, has joined the Green Bay Packers and will be in uniform here Sunday against Racine. After several weeks of dickering, the Packer management was able to put through a deal with Manager Ollie Kraehe of the St. Louis Browns by which Gray will report immediately to Green Bay. Gray played end with St. Louis against the Packers several weeks ago and he gave a bang up exhibition of football. He is a scrappy kind of a gridder who will fit in perfectly with the Packer machine. He is a perfect receiver of the forward pass and a brilliant defense player. The newest addition to the Packer squad played three years at Princeton and Bill Rope, the Tiger coach, credited him with being one of the greatest ends that ever wore the orange and black...Members of the Packer squad are asked to report at the park armory at 9 o'clock Friday morning as there will be a blackboard talk before the team stages its regular morning workout.

CAL'S COMMENTS

OCT 25 (Green Bay Press-Gazette) - Several hundred Racine fans are going to follow the Legion team to Green Bay for Sunday's game. This is the sort of spirit that goes a long way to put pro football on a firm foundation. Green Bay's football fans are known all over the middle west for the loyal way in which they always follow the Packers around the circuit.

RACINE LEGION CONFIDENT OF BEATING PACKERS HERE ON SUNDAY; DRESSEN PLAYS

OCT 25 (Racine) - The Horlick Legion squad of this city will journey to Green Bay on Sunday in company of about 200 ardent fans for the purpose of regaining the state title which they lost to the Packers on a neutral field in Milwaukee last December by the score of 14 to 0. The Legionnaires are having some bad breaks just at present but it is confidently believed that the squad can be whipped into shape to lick the strong Packers. Manager Reutz announced on Wednesday that Captain Irv Langhoff, one of the most consistent ground gainers on the team, would be out for the remainder of the season with a broken leg and that Fritz Roessler, star right end, would also be laid up some time because of a torn ligament in his left leg. Langhoff was hurt in Sunday's game with the Akron Pros when he was tackled from behind and thrown to the ground by Nesser, speedy Akron end, who overtook him when he was nearing the Ohio goal posts after a sensational run. At that time it was thought that Langhoff's injury was a mere strain but an x-ray shows that his left leg was fractured near the knee. It is probable that Hank Gillo, captain of last year's squad, will be induced to act as captain now that Langhoff is out of the game. Hank refused the honor at the outset of the season as he is coach of the Bay View, Milwaukee, high school team and this takes up much of his time...DRESSEN IN GAME: With Langhoff and Roessler out of the

regular lineup, Manager Reutz has been forced to fill in their places. Just when things were looking gloomy for the Legionnaires a telegram was received from Charlie Dressen, last year's quarterback, saying he would report Wednesday and be in shape for the Packers' game.

Charlie has been covering third base for the St. Paul team of the American Association. Next year he is going to play with the Washington team and there was a rumor about to the effect that he would not play with the Legion for fear of getting injuries which would keep him from the big show. All doubts were put to rest when the little fellow wired he was ready to get into the game, however, and his coming will do much to plug up the holes in the team. Dressen will undoubtedly be used at the quarterback position while Shorty Barr, University of Wisconsin star, will alternate with him and also fill in as a halfback in Langhoff's place. Barr is qualified to play either post...MILTON TO PLAY HALF: Jack Milton will go in as a regular at the right halfback job while Foster can help out when needed and also sub for Hank Gillo at full. Fritz Heinsch and Candy Miller will be given chances to sub at the vacant end position which goes permanently to Halliday, a former University of Chicago star, who joined the local squad just in time to get into the Akron game. Halliday distinguished himself in his opening game by being on the receiving end of long forwards on two occasions. He has all the earmarks of being a wonderful player and one who can be depended upon in pinches. There is no uncertainty when he reaches out to grab the ball as it sticks with him. Gillo's old kicker will be in good working order for the Packer game. He oiled it up in fine shape last Sunday when the Horlicks trounced the Akron Pros by a 9 to 7 count. Hank earned all the points made by the locals with his toes. He kicked one placekick from the center of the field and another from the 48 yard mark in the second quarter and then booted over the winning points from the 30 in the last period. These three placekicks are probably the greatest ever booted in a pro game and mark Gillo as a dangerous man...ALL AMERICAN FULLBACK: He not only stars in kicking from the field but shoots his kickoff over his opponents line and is a demon on line plunging. Hank has been with the locals for three years and is well known in Green Bay. He was picked as an All American fullback when playing with Colgate. The Bay fans will have a chance to see several Wisconsin university stars in action when the Legion plays their team as besides Barr there is Rowdy Elliott, a speedy half; Paulie Meyers, a crack end, and Fat Smith, a tackle in the lineup. The Legion management is certain that its team this year is the best it has ever and is going into this forthcoming battle with the Packers for a win.

PACKERS IN GOOD SHAPE TO BATTLE RACINE LEGION IN SUNDAY'S FOOTBALL FRACAS

OCT 26 (Green Bay Press-Gazette) - The Packers went through another strenuous workout this morning in preparation for the state championship game with the Racine Legion here on Sunday. Captain Lambeau's warriors are not underestimating the strength of their opponents and every player figures that the Racine fray is going to be the toughest kind of a battle. The team is in pretty good physical shape for the game with Racine. All of the regulars came out of the Milwaukee fracas with but minor bruises and it will be possible to start the strongest lineup against Babe Ruetz's gridiron warriors...EXPECT LARGE CROWD: There is a big demand for tickets. The pasteboards were put on sale last night and the ducats were snapped up early in a hurry. Sunday's game will be the last home appearance of the Packers until Thanksgiving Day when the Bay eleven will have it out with Duluth. Art Von, the crack Duluth official, has been named to handle the game against Racine. He follows the ball closely and is on top of the scrimmage every minute. Good officiating is half the game. Sunday's contest will start promptly at 2:30 o'clock and the game will be played rain or shine. Fifteen minute periods are agreed on.

PLAN BAY INVASION

OCT 26 (Racine) - "All Aboard for Green Bay". That is the slogan in the town that Horlick made famous. Several hundred rooters will follow the Legion eleven for Sunday's game. The football squad will make the trip in a special car over the C. & N. W. The Beaumont hotel will be the Racine headquarters during the sojourn in Green Bay. A special section of seats has been reserved for the Racine delegation at the game. Hank Gillo, the Racine coach, in speaking of Sunday's game said: "The Packers have just as good a team as there is in the pro league but I think that we'll lick them on Sunday. We've built up a defense against the forward pass which, I think, is going to give the Packers a lot of trouble. No matter who wins, it is going to be a great game.

CAL'S COMMENTS

OCT 26 (Green Bay Press-Gazette) - The addition of Jack (Dolly) Gray should make the Packers better than ever. The former Princeton star is a splendid performer at end and his ability to handle forward passes should make him a star with the Green Bay team. Gray was with St. Louis and going good but he was not satisfied with conditions and Manager Kraehe finally gave the Packers first option on his services.

PRO GRIDDERS ARE SCHEDULED TO MIX IN CRUCIAL FRAYS

OCT 26 (Green Bay Press-Gazette) - Hill turned in a swell game of football for the Toledo Maroons against the Dayton Triangles. During the last few minutes of play he plunged through the forward line for a touchdown, which won the battle 6 to 3...Blacklock, field captain of the Chicago Bears, won't likely do anymore pigskin chasing this season. He was carried off the field in the Canton contest with a badly injured leg. His injury is a blow to the Chicagoans...Pete Henry did some classy kicking for the Bulldogs last Sunday. Twice did the big tackle boot the pigskin between the uprights and his six points were the only counters made during the hard fought gridiron joust...Abbott, former varsity quarterback at Syracuse, is turning in a good brand of football for the Dayton Triangles. He handles punts nicely and keeps his team traveling at top speed when in possession of the ball.

RACINE LEGION TO FACE PACKERS HERE ON SUNDAY

OCT 27 (Green Bay Press-Gazette) - The Racine Legion, contenders for the State professional football championship and one of the strongest elevens in the pro league, will give battle to the Green Bay Packers Sunday afternoon at Bellevue park. It will be the last home appearance of the Packers until Thanksgiving Day because, during the next four weeks, the Green Bay team will be playing on foreign grids. Arthur Von of Duluth, an official who is on top of the ball every minute, will referee. Whyte of Wabash is the umpire while Coffeen of Beloit will serve as head linesman. The game, which will be played rain or shine, is scheduled to start promptly at 2:30. The periods will be of 15 minute duration...VISITORS ARE STRONG: Racine will present a husky aggregation of gridiron warriors. The Legion squad is composed of tried and true pigskin warriors, many of whom have made a name for themselves on college teams. The Duluthian is as strong as a bull and Little Joe Sternaman is polishing off all his rough spots...Tallant, one of the veterans on the Hammond team, is playing a much improved brand of football. He is of the aggressive type of tackle and is generally found right in the midst of the roughest going...Isabel had quite a field day at Louisville when Columbus downed the Colonels to the tune of 34 to 0. The former Buckeye varsity griddier marked up a pair of touchdowns against the hard working Southerners...Otto, the former Centre college player, is holding down the center job for Louisville and he has looked pretty good in his two pro league games.
